

Department of English Students' Achievements

The Department of English at St. Xavier's College Jaipur, focuses not only on the academic growth and learning of the individuals, but also on their holistic and personal development. Encouraged and guided by the faculty, the students of the department have maintained exemplary academic prowess as well as distinction in various extra-curricular fields. From scoring high in University exams and clearing national competitive exams, to participating in national and international conferences and tournaments, the students have displayed a keen enthusiasm for the field of literature, adding to it with their research-based aptitudes, along with expressing a determination to prove their immense capabilities on social and professional platforms. Following is a compilation of the achievements of the department's students, that provides a glimpse at their outstanding potential.
