Prohibition of Single - Use Plastic on Campus

This is to inform you all that in alignment with our commitment to environmental sustainability and to comply with government directives, it has been decided to enforce a complete ban on the usage of one-time use plastic on the premises of St. Xavier's College, Jaipur, effective immediately.

Considering the detrimental impact of single-use plastics on the environment, including pollution of land, waterways, and harm to wildlife, it is imperative that we take collective responsibility to mitigate this issue. As responsible individuals and members of this esteemed institution, it is our duty to promote eco-friendly practices and contribute to a cleaner and greener environment.

Therefore, all the staff students are kindly requested and required to adhere to the following guidelines:

1. Avoid the use of single-use plastic items such as plastic bags, bottles, straws, cutlery, and disposable containers within the college premises.
2. Use eco-friendly alternatives like reusable water bottles, cloth bags, and containers made of biodegradable materials.
3. Support and encourage the use of recycling bins provided across the campus for proper disposal of waste materials.

The cooperation and active participation of every staff and student are crucial in ensuring the success of this initiative. Let us join hands to reduce our carbon footprint and set an example for sustainable living within our community.

We appreciate your cooperation in making St. Xavier's College a plastic-free zone and contributing to the preservation of our environment for the well-being of current and future generations.
