## Green Audit Inspection

All the staff and students are informed that our College will be undergoing a Green Audit inspection by an external team on January 6<sup>th</sup>, 2024. This audit aims to evaluate our institution's environmental practices, sustainability initiatives, and overall commitment to eco-friendly measures.

The inspection team will assess various aspects of our campus, including energy usage, waste management systems, water conservation efforts, transportation practices, and other relevant environmental factors.

During the audit day, there may be representatives moving across different areas of the College, conducting assessments and gathering data. We kindly request the cooperation of all staff and students during this process. Your assistance and adherence to sustainable practices on that day and leading up to the audit will significantly contribute to showcasing our dedication to environmental responsibility.

For any queries or further information about the Green Audit inspection, please reach out to:
