Road Safety Awareness Program

National Service Scheme

This is to inform you all that the National Service Scheme (NSS) is organizing a Road Safety Week from 13 to 17 January, 2024 with the collaboration of Nehru Yuva Kendra Sangathan, Jaipur and Jaipur Traffic Police. This initiative aims to create awareness about road safety and promote responsible behavior among all road users.

During this week, various activities and events will be conducted to educate and engage students in promoting road safety. We encourage each one of you to actively participate in these activities and contribute towards building a safer road environment for everyone.

We urge all the volunteers to actively participate in these events to make Road Safety Week a success. Let us collectively contribute to building a culture of responsible road behavior. For more details and to sign up for specific events, please contact the NSS Program Officer Dr Pradeep Soni. Your safety is our priority, and together, we can make a significant impact on road safety awareness.
