Unnat Bharat Abhiyaan Cell
Annual Report for College Website
Session 2021-22

The Institutional Social Responsibility & Extension Activities Cell (ISREAC)/ Unnat Bharat Abhiyan Cell is an important initiative of St. Xavier's College, Jaipur, for students under the management's guidance and faculty of our college. Unnat Bharat Abhiyan, as a flagship program of the Ministry of Human Resource Development, the Government of India has been working towards a holistic approach to uplift the rural areas and bring them at par with growth sustenance and self-reliance. As a Participating Institute in this noble initiative, St. Xavier's College, Jaipur, has adopted five villages from two panchayats under this cell. The villages of Jaisinghpura Gram Panchayat are Jaisinghpura, Narottampura and Chak Harbanspura, and those of Mahapura Gram Panchayat are Khatwara and Chatarpura @ Lalya Ka Bas. Through UBA Cell, the students engaged in various social activities that were conducted in the villages adopted by the college, divided among the departments. This cell served as a catalyst to bring about a holistic, all-round development of the students apart from their academic activities and other extracurricular. Our college took up this initiative to inculcate a value system that adheres to social responsibility and makes the students well-aware and empathetic toward their surroundings.

The entire year was filled with a plethora of activities and field trips organised to the villages, wherein research was also conducted and data assimilated. The students interacted with the villagers and got involved with the problems at the grassroots level. Rural development is where the real work of upliftment lies. Keeping this in mind, the ISREAC/UBA Cell organised awareness programs on womanhood, self-defence and even traffic safety workshops, to name a few. The list of activities organised by the cell is as follows:

- Ministry of Education, Government of India organised **Poster & Video Making Competitions** for Unnat Bharat Abhiyan (UBA) Institutions focusing on awareness throughout the pandemic on different themes (08 July 2021)

- **Nukkad Natak on Sanitation Etiquette and Waste Disposal Awareness** at Chatarpura @ Lalya ka baas and Narrotampura organised by SAP, Dept of Economics & Psychology, XTS & UBA (15 March 2022)

The critical area of objectives of the cell is to bring awareness to the students so that they may also put their efforts into social upliftment. That purpose has come to fruition, as the volunteers, student committee and all the members have witnessed it. The institution has been looking forward to continuing this celebration of inclusivity, development and social responsibility for a very long time since we had a very hopeful onset of this endeavour.
