6.3.1 Effective Welfare Measures

Welfare measures encompass various initiatives designed to improve the work-life quality and cater to the diverse needs of both teaching and non-teaching staff within the institution.

Free Covid Vaccination Drive: Offering free COVID-19 vaccination helps ensure the health and safety of staff members, reducing the risk of infection and promoting a safe working environment.

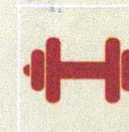

Blood Donation Drive and Mask Donation: Organizing blood donation drives and distributing masks demonstrates a commitment to community health and safety, while also encouraging staff members to contribute to social causes.

Health Awareness Workshops: Conducting workshops on health-related topics educates staff members about preventive measures, healthy lifestyles, and disease management, fostering a culture of wellness within the organization.

Facilities: Wi-Fi Routers, Server Room: Providing modern facilities such as Wi-Fi routers and a well-equipped server room enhances operational efficiency and supports staff members in their day-to-day tasks.

Open Gymnasium for all: Offering access to an open gym promotes physical fitness and encourages staff members to adopt healthy habits, leading to improved overall well-being.

Effective Welfare Measures

Yoga Udhyan: Incorporating yoga sessions into the workplace promotes relaxation, stress reduction, and mental clarity among staff members, contributing to their overall health and productivity.

Sports/Yoga activities: Organizing sports and yoga activities fosters teamwork, boosts morale, and provides opportunities for physical activity and stress relief.

Wellness Centre: Establishing a wellness center provides staff members with access to various health services, counseling, and resources to support their physical and mental well-being.

Hi-Tech Library: Maintaining a hi-tech library offers staff members opportunities for professional development, research, and personal enrichment, enhancing their knowledge and skills.

Staff Cabins: Providing dedicated cabins or workspaces for staff members ensures privacy, comfort, and a conducive environment for focused work.

These initiatives collectively create a supportive and enriching work environment that prioritizes the well-being and satisfaction of staff members, contributing to their overall effectiveness and happiness.

XAVIER'S OPEN GYM / जेवियर्स ओपन जिम

TRIPLE TWISTER

Triple Twister is designed to develop the muscles of the upper body, slim the waist, and strengthen core muscles. Improves flexibility, coordination and balance.

INSTRUCTIONS TO USE:

Step onto the platform and hold the handlebars with both hands to gently turn your hips from side to side without moving your shoulders.

DECLINE BENCH

Decline bench is a versatile open gym equipment, primarily used for effective abdominal workouts like decline sit-ups or crunches, engaging the core. It also plays a crucial role in chest and shoulder exercises, enhancing upper body strength.

INSTRUCTIONS TO USE:

Hook your feet under the bar, lie back, and pull yourself up, or adopt a reverse position, holding the bar and raising your legs or knees.

STATIONARY CYCLE

Stationary Cycle is designed for cardiovascular workouts to enhance endurance and stamina while effectively burning calories and boosting metabolism. It is particularly beneficial for strengthening various leg muscles, including the quadriceps, hamstrings, calves, and glutes.

INSTRUCTIONS TO USE:

Sitting on the saddle, put your hands on the handles and pedal with your feet on the pedals. The user can cycle at their own pace, making it suitable for all abilities.

TREADMILL

Treadmill is used to enhance cardiovascular health and facilitate weight loss. Users can engage in a variety of workouts, including walking, jogging, running, and interval training, thereby contributing to overall fitness improvement.

INSTRUCTIONS TO USE:

Stand on the treadmill, hold the handles, and start walking or running at your own pace.

AIR WALKER

Air Walker or **Air Gliders** provide an effective cardiovascular workout, engaging multiple muscle groups for a full-body exercise that targets the legs, arms, and core. It strengthens heart and lung functions, improves coordination and stability of the legs, and strengthens the muscles of the legs and buttocks.

INSTRUCTIONS TO USE:

Stand on the platform with your feet on the pedals and grab the bar with your hands, moving your legs back and forth, simulating walking.

DIP BAR

Dip Bars are great for triceps dips, strengthening the back of the arms. They also engage the core for abdominal muscle development. These bars target the back, shoulders, arms, and core, promoting overall upper-body strength.

INSTRUCTIONS TO USE:

Stand between the bars and lift yourself up with both hands - ideal for pull-ups or hand walking.

SHOULDER PRESS

Shoulder Press is a tool for a focused exercise that strengthens the deltoid muscles, enhancing shoulder strength and stability. It also targets the triceps and upper chest, contributing to overall upper body development.

INSTRUCTIONS TO USE:

Sitting on the chair, hold the handles with your hands and pull them downwards, lifting your feet off the ground and then slowly raise the handles upwards.

PULL UP BARS

Pull-Up Bars, also known as **Horizontal Bars**, are essential for targeting upper body muscles, including the back, shoulders, arms, and core. Key exercises like pull-ups and chin-ups actively engage these muscle groups, promoting overall strength and development.

INSTRUCTIONS TO USE:

Hold onto the bar, and use the arms to pull up until the chin is level with or above the bar. Lower again and repeat according to your capability.
