PEDAGOGY TO DELIVER CURRICULUM EFFECTIVELY

Pedagogy refers to the methods adopted to deliver curriculum, transfer knowledge and make teaching-learning happen in the classroom in the best possible way. St. Xavier's College Jaipur takes pride in the ambience it provides for **Curriculum Delivery** and the **Teaching-Learning Process**. The quality of the delivery is evident in good annual results and the institution's prospering alumni.

The various departments use a plethora of pedagogy that caters to the specific needs of their course and ensure that knowledge is transferred in the best interest of the students who are the main stakeholders of the institution.

KAHOOT AND MENTI-METER

The Department of Economics uses innovative pedagogy to bring about understanding of economics and related concepts. The best way to engage the present generation that enjoys gaming, is learning while playing. Kahoot is extensively used by the department. The Department of BA Pass Course uses Menti-Meter to expose certain concepts of sociology, public administration and history.

POWERPOINT PRESENTATIONS

The importance of visuals in learning something new cannot be overstated. The Department of Commerce uses Powerpoint Presentations as its main pedagogy to help students understand the complexities of the world of trade and commerce.

INDUSTRIAL VISIT

Departments like Commerce, Business Administration, Economics, Science also include practical exposure in their teaching pedagogy to provide a hands-on experience to the students.

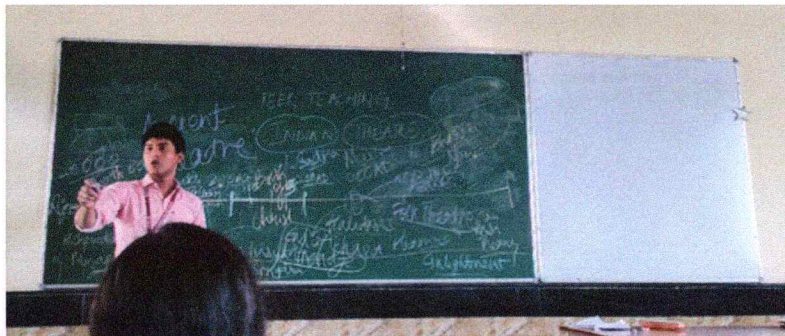

FIELD VISITS

Nothing can replace hands-on experience of field trips for students. The Departments of Science, Business Administration, Commerce, Economics, Psychology, Political Science and Public Administration etc. organise regular field visits to expose students to the ground work.

CHALK AND TALK AND CASE STUDIES

The classic way of chalk and talk remains evergreen to unpack the intricate details of the business world. The Department of Business Administration uses this pedagogy to deliver its detailed knowledge content to the utmost satisfaction of the students. Besides this case studies play a pivotal role in helping students understand the practical aspects of their subject.
