FEEDBACK REPORT: WORKSHOP ON CORAL DRAW AND PHOTOSHOP

The Workshop on Coral Draw and Photoshop, organized by the Department of Computer Science, was an invaluable learning experience. Participants found the sessions well-structured and engaging, allowing for hands-on practice and exploration of the software's features. The instructors were knowledgeable and approachable, providing clear explanations and useful tips. Many students expressed gratitude for the opportunity to enhance their graphic design skills, noting the relevance of these tools in various academic and professional contexts. Overall, the workshop received overwhelmingly positive feedback, with attendees eager to apply their newfound skills in their projects and future endeavors.

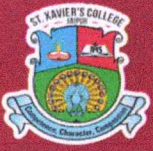

REPORT: WORKSHOP ON CORAL DRAW AND PHOTOSHOP

The Workshop on Coral Draw and Photoshop, held from September 3 to October 3, 2018, organized by the Department of Computer Science, proved to be an exceptional educational initiative. Coordinated by Dharmveer Yadav and Madhu Sharma, the workshop offered comprehensive training in these vital graphic design tools. Participants praised the well-structured sessions that combined theoretical insights with practical exercises, enhancing their familiarity with the software. Instructors were commended for their expertise and accessibility, ensuring that students not only understood the material but also felt supported throughout the learning process. The practical skills acquired are deemed invaluable, with many attendees now prepared to utilize their enhanced capabilities in both academic projects and professional opportunities. The feedback was overwhelmingly positive, reflecting the workshop's success in equipping students with relevant and in-demand design skills.
