FEEDBACK REPORT: THREE DAY WORKSHOP ON “EFFECTIVE COMMUNICATION STRATEGIES FOR PROFESSIONAL SPEAKERS”

A three-day workshop was organised by the Xavier's Debating Society to help all aspiring speakers hone their skills in order to be mesmerising public speakers with an edge. The workshop was taken by Dr. Ritu Sen who had been a part of the college for a long time and thus the students were eager to reconnect with their teacher.

During the workshop the students learnt how to make the right impact through their presentation, speech, body language and how to capture the audience from the onset of one's presentation or speech. The workshop was balanced with a combination of activities, practice sessions and learning about the entire mechanism of communication. The students found themselves more confident and well equipped to make public presentations at the end of the workshop.

FEEDBACK REPORT: SEVEN DAY WORKSHOP ON “TEXT AND CONTEXT”

The seven-day workshop on Texts and Contexts organized by the Department of English was an enlightening experience for all participating students. It provided a refreshing perspective on the boundless nature of literature beyond conventional interpretations. Dr. Arjun's insights into the evolution of theatre as an expressive art were captivating, setting the tone for an immersive exploration of theories and criticism with Dr Michaela Henry. Her sessions encouraged us to approach literature with a deeper understanding and critical thinking. Dr Dibyadyuti's passionate delivery and diverse topics, from post colonialism to digital humanities, broadened our horizons as aspiring researchers. Despite the short duration, the workshop left a lasting impact on our appreciation for literature and its relevance to society. It ignited a newfound quest for knowledge that transcends traditional boundaries, inspiring us to embark on a journey of continuous learning and exploration.
