Dear Manas

Hope all is well. Thank you for being patient throughout the recruitment process. We are glad to have you on board with us.

The intent of the GMI Blog is to share stories of/from/through GMI and create a space for people to know more beyond the campus life. It is a way for us to interact and engage with our community and also take the opportunity to not only be a knowledge disseminator but also thought leaders where we can. Of course, these are intended for regular consumption of the readers and not having any monetisation aspect to it. It also is an opportunity for us to engage with different members of the community, to expand the GMI Tribe and to create a platform for people to share, ideate and reimagine the shape of things to come.

We value the efforts and the contribution you will bring towards building this. To get things off the ground, for the period **04 Sep - 31 Dec 2023**, we are proposing the following fee model:

Type of Article	Description	Fee per Article
Student Profile / Tips & Tricks / etc	Articles which require more of collation of the information already captured / short form essays (upto 1000 words)	INR 1000
Interviews / In Conversation With / Q&A / Review. /etc	Articles which require more engagement with the professionals being interviewed / medium form essay (approx around 1500 words)	INR 1500
Commentary / In Focus / Through the Lens / etc	Articles which are long form essays, commentaries, review / sharing perspective, involves some research (approx about 2500 words)	INR 2000

The above table is just to give a sample idea of how we can possibly look at classifying the articles. Needless to say, we will not be doing the exact count of words unlike any other publisher as the idea here is not the number of words but more on the type of article

If everything is clear and amenable for you, please share an acknowledgement as an acceptance to this offer. Accordingly our marketing & communication team will get in touch with you for the further proceedings.

You will be required to submit an invoice on a monthly basis for the work done in the past month and we can process the payment.

We look forward to a mutually rewarding association

Regards
