Report

The National Service Scheme of St. Xavier's College, Jaipur organized a Seven Day Special Camp from 9 February 2023 to 15 February 2023 on the theme "Youth for National Integration and Harmony" with the organizer as Rev Fr Dr A Rex Angelo SJ, Principal, St. Xavier's College, Jaipur. The Special Camp was a part of NSS' ongoing efforts to instil a sense of community service and social responsibility among its students. The camp consisted of several activities aimed at achieving the objectives of the NSS program. These activities included community service projects, health development workshops, and team-building exercises.

Each day of the week, different activities were conducted as follows:

As an act of kindness, a Donation Drive was organized in loving memory of our volunteer Piyush Baid to Apna Ghar Ashram, Jamdoli. NSS volunteers devoted their time by visiting the Ashram while the students and the teachers of the college donated in cash and kind.

14 Feb 2023: The 3rd edition of Swasthya Per Charcha was hosted in the Conference room where many health-related issues such as alcohol and smoking in youths were discussed. Doctors from Mahatma Gandhi Medical College and Hospital formed the panel which was moderated by Dr VK Kapoor. The session received positive reviews from faculty and management. We hope to conduct more such sessions in future.

15 Feb 2023: As part of our closing of the Seven-Day Special Camp, we have collaborated with the Red Ribbon Club of St. Xavier's College Jaipur and organized a blood donation drive in the medical room on the first floor.

Overall, the Seven-Day NSS camp was a huge success with an active contribution of NSS volunteers under the guidance of Dr Pradeep Soni, NSS Programme Officer, Dr Shiv Pratap Choudhary, and Mr Rohan Thomas Cherubin, NSS teacher coordinators. The camp was also graced by the presence of SP Bhatnagar (Regional Director and Assistant Programme Advisor, Government of India, Min. of Youth Affairs and Sports NSSRD, Jaipur), Dr Dharmendra Singh (State Liaison Officer, NSS), Dr Surendra Singh (State Coordinator, NSS), and Dr Snighdha Sharma (Associate Professor, Economics).

Theme: 'The Best Way to Find Yourself Is to Lose Yourself in The Service of Others' - Mahatma Gandhi

Children are recognized worldwide as supreme assets of the nation. The nation's future lies in these young hands, who have been identified as the ultimate assets of the nation. Still, because of our society's indifference in all spheres, these future stakeholders are not brought up properly, which leads to child delinquency. Child or juvenile delinquency is an alarmingly increasing problem causing a source of concern all over the world. Therefore, to provide employability skills to these children, the College management proposed establishing a computer lab at Government Observation and Child Home, Jaipur on 16 February 2021, which college students will be used to train the children with basic computer skills for two months. This project under the Guidance of Mr Yashwardhan Singh in association with ISRC provided basic computer skills to the children falling under the CICL and CNCP category in the Government Observation and Child Home of Jaipur District.
