

7.1.3 (C) Clean and Green Campus Initiatives

BIODIVERSITY

FAUNAL DIVERSITY

Located next to the peaceful **Nevta Dam, Nevta, Jaipur**, Rajasthan, **St. Xavier's College** coexists peacefully with the environment, promoting a calm and healthy ecosystem on campus. Acknowledging the importance of its unique setting, the institution has conducted an avian diversity study to determine the diversity of birds that visits the campus and its environs.

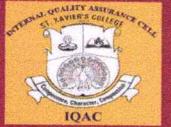

So far, the study has unveiled the presence of **30 distinct faunal diversity** gracing our campus with their vibrant presence. This revelation underscores the richness of biodiversity that thrives in our midst, indicative of the favourable ecological conditions and environmental health prevailing in our immediate surroundings.

The abundance of food sources, favourable climatic conditions, and the provision of shelter or temporary resting spots further accentuate the campus's allure for avian inhabitants. St. Xavier's College takes pride in being a sanctuary for these winged visitors, providing them with a nurturing habitat where they can flourish and thrive.

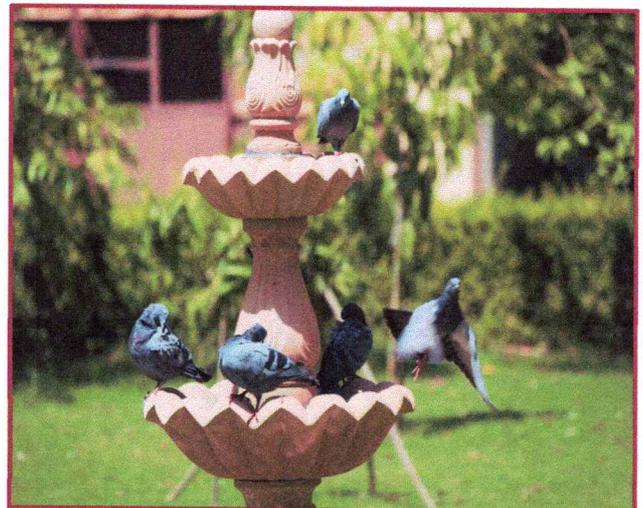

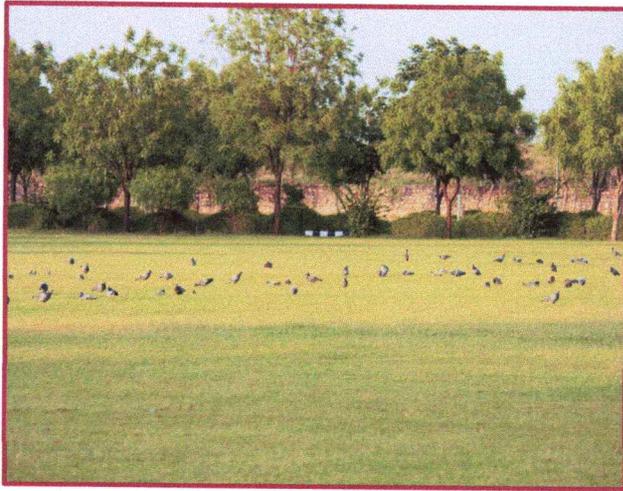

This avian diversity study not only serves to document the wealth of birdlife but also underscores the importance of preserving and protecting our natural habitats. It highlights the interconnectedness between humans and the environment, urging us to be mindful stewards of the delicate ecosystems that sustain life in all its forms. Through continued efforts in conservation and environmental stewardship, St. Xavier's College endeavours to uphold its commitment to biodiversity preservation and ecological harmony.

| 30 | Spotted owlet | <i>Athena brahma</i> | Strigidae | Strigiformes |

FLORAL DIVERSITY

St. Xavier's College Jaipur boasts a vibrant green campus adorned with lush foliage, where the beauty of nature thrives alongside academic pursuits. Our commitment to **environmental stewardship** is reflected in our extensive array of lush green plants, carefully curated to enhance the campus ambiance and promote biodiversity.

Through ongoing plant awareness initiatives, we educate our community about the importance of greenery in fostering a healthy and sustainable environment. Our campus features **3640 floral diversity** of **122 different plant species** on campus, that contribute to holistic well-being and promote sustainability.

In addition to maintaining a verdant landscape, we actively engage in activities related to plant care and cultivation. From **tree planting drives** to **organic farming**, we encourage hands-on involvement in nurturing and preserving our natural surroundings. By fostering a culture of appreciation and stewardship for plants, St. Xavier's College Jaipur cultivates a greener, more sustainable future for generations to come.

NAME OF THE PLANTS IN THE CAMPUS

| S. No. | CommonName | ScientificName | Total | Ornamental | Medicinal | Tree | Fruit |
|--------|---|---------------------------------------|-------|------------|-----------|------|-------|
| 1 | Ashok pendula | <i>Polyalthialongifolia</i> | 107 | ✓ | | | |
| 2 | Ashoka | <i>Saracaasoca</i> | 54 | | | ✓ | |
| 3 | Adenium (DesertRose) | <i>Adeniumobesum</i> | 2 | ✓ | | | |
| 4 | Amla | <i>Phyllanthusemblica</i> | 7 | | ✓ | | |
| 5 | Amaltas | <i>Cassia fistula</i> | 6 | ✓ | | | |
| 6 | Areca palm (Yellow palm, Butter fly palm) | <i>Dypsislutescens</i> | 70 | ✓ | | | |
| 7 | Agave (American oe)/ Century plant | <i>Agaveamericana</i> | 1 | ✓ | | | |
| 8 | Arjun | <i>Terminaliaarjuna</i> | 34 | | ✓ | | |
| 9 | Annar | <i>Punicagranatum</i> | 11 | | | | ✓ |
| 10 | Aloe | <i>Aloevera</i> | 15 | | ✓ | | |
| 11 | Ber | <i>Ziziphusmauritiana</i> | 3 | | | | ✓ |
| 12 | Bougainvillea | <i>Bougainvilleaglabra</i> | 88 | ✓ | | | |
| 13 | Banana | <i>Musaparadisiaca</i> | 8 | | | | ✓ |
| 14 | Bakayan (Bakan, Chinaberry) | <i>Melia azedarach</i> | 6 | | ✓ | | |
| 15 | Bottle Brush | <i>Callistemoncitrinus</i> | 7 | ✓ | | | |
| 16 | Conocarpus (Button wood) | <i>Conocarpuserectus</i> | 57 | ✓ | | | |
| 17 | Chandni/Jasmine | <i>Tabernaemontana divaricate</i> | 11 | ✓ | | | |
| 18 | Champa | <i>Plumeriaobtusa</i> | 60 | ✓ | | | |
| 19 | Coconut palm | <i>Cocosnucifera</i> | 1 | ✓ | | | |
| 20 | Chipkalibel | <i>Ficuspumila</i> | 1 | ✓ | | | |
| 21 | Casuarina (Horsetail, she oak) | <i>Casuarina equisetifolia</i> | 1 | ✓ | | | |
| 22 | Cycas | <i>Cycasrevoluta</i> | 14 | ✓ | | | |
| 23 | Curry Plant | <i>Murrayakoenigii</i> | 7 | | | | ✓ |
