1.3.2

DEPARTMENT OF COMPUTER SCIENCE REPORT OF THE INDUSTRIAL VISIT

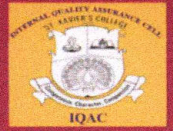

Department of Computer Science in collaboration with Innovation & Incubation Cell (IIC) is organising a **2-day Educational Visit to Bhamashah Data Center and Bhamashah Techno Hub, Department of Information Technology (DoIT), Jaipur, Rajasthan** on 13th- 14th October 2022.

The students (80) along with Computer Science Faculty Dr Vaishali Singh and Ms Keren L Daniel (Head, CS) visited the Bhamashah Techno Hub, (Incubation centre, ISTART, DOIT, Government of Rajasthan), Jhalana Doongri, Jaipur .

At the Bhamashah Techno Hub, the BCA students and IIC students were received and addressed by different mentors and startup owners. The mentors gave a presentation to the students regarding the ISTART program run by the Government of Rajasthan for Entrepreneurs & Startups. After the presentation, the mentors Conducted a Q & A round, where the students were advised regarding the building up of their ideas.

Bhamashah techno hub is a project by the Government of Rajasthan. The idea is to provide an entire support system to the rising entrepreneurs by helping them to pitch their ideas and to connect them with the potential investors. The incubation centre offers free space, connectivity, easier funding, mentorship and exposure to the startups. In spite of experiencing the fun of various technologies like Virtual Reality, Microsoft Hololens and many more, students also got an additional information about 'What is i-start', funding etc. The mentors also advised about the role of Experts in helping the students in developing their ideas and making them viable and the ease of getting the funds for running a startup directly from the government with minimal formalities. The students participated with great enthusiasm and raised several queries regarding

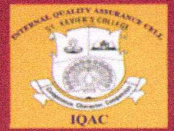

Entrepreneurship & Start-up funding and the formalities required to be fulfilled for launching a start-up. The students also visited the Co-working space allocated to the start-ups.

Learning Outcome

- The students got an opportunity to interact with and learn from industry experts.
- The visit opened up some new opportunities to learn through watching.
- It enhanced the employment prospects
- Supports the students in exploring the far side of the horizon.

1.3.2 DEPARTMENT OF COMPUTER SCIENCE FEEDBACK REPORT OF THE INDUSTRIAL VISIT

The industrial visit to the Bhamashah Data Center and Bhamashah Techno Hub proved to be an enriching experience for the participants, offering them valuable insights into the forefront of information technology and data management initiatives in Rajasthan. It provided a platform for learning, networking, and exploring potential avenues for collaboration between academia, industry, and government agencies. The department looks forward to continued engagement and collaboration to foster innovation and technological advancement in the region.

1.3.2 DEPARTMENT OF COMPUTER SCIENCE ACTION TAKEN REPORT OF THE INDUSTRIAL VISIT

The feedback received from participants of the industrial visit has been valuable in identifying areas of strength and opportunities for improvement. The actions taken in response to this feedback demonstrate our commitment to providing enriching and meaningful experiences for the students.
