1.3.2

DEPARTMENT OF BUSINESS ADMINISTRATION REPORT OF THE INDUSTRIAL VISIT

The Department of Business Administration, in collaboration with E cell, organized an industrial visit to **Foodfair Nutrition Product LLP at Solitaire Industrial Park, Bagru, on 30th September 2022** for second-year students, with 80 students participating along with three faculties. An industry is never created by capital alone, but by the combined efforts of everyone involved in it. Everything eventually connects, as the saying goes, and this was evident in the Foodfair Nutrition Product LLP, where massive machineries produced camel milk powder. The industry has redefined food production, allowing for the quick preparation of India's delicacies. The visit proved inspiring to the students, with some striking business deals with the company for purchasing raw materials. Students were assigned a marketing project to creatively market Foodfair Nutrition Product LLP, with the manager offering a 100% cashback incentive for successful completion. The highlight of the day was tasting the company's products, which surprisingly tasted fresh despite expectations of preservatives. A group photo with the owner and manager was taken, and appreciation was expressed for their time before departing. The visit proved beneficial, with students closing business deals and gaining practical insights into the market. Everyone, including teachers and employees, was impressed by the visit of the XAVIERITE'S, giving the company a recognizable face.

Learning Outcome

- The students got an opportunity to interact with and learn from industry experts.
- The visit opened up some new opportunities to learn through watching.
- It enhanced the employment prospects
- Supports the students in exploring the far side of the horizon.

1.3.2 DEPARTMENT OF BUSINESS ADMINISTRATION FEEDBACK REPORT OF THE INDUSTRIAL VISIT

Overall, the industrial visit proved to be a successful and mutually beneficial experience for all the students and Foodfair Nutrition Product LLP. It provided valuable learning opportunities for the students and facilitated knowledge sharing and networking within the industry.
