ICE-BREAKING SESSION**

It was our day 2 at St Xavier's college exchange program. so i would like to say that the day started with a talk where we introduce ourselves and then followed a really amusing and different session where we enjoyed a lot where we did body prayer where we learnt in a fun way we learnt how one can let go off the sad things and let in the goodness and well being . then the session was followed by interesting games where we all students let our heart wander in the essence of our childhood and interacted with our fellow mates too at the same time . Later 3 visits were for us in the course of day . starting with Loyla research centre followed by human development and research centre and

## LOYALA RESEARCH CENTRE AND HRDC

So one might think that it might be hectic for students to visit all 3 places in one day . but praise lord . all these places where in college itself . And they are not adjusted in the campus they legit hold concrete purpose there. Loyla research centre gives the platform to individual to enhance their learning in field of science and act as catalyst for student's research work. Then we headed to human research and development centre where we got the brief about its purpose and how they work what policies they hold what they aspire and their vision. Most importantly we saw the dedication which these centre holds to foster the people who are not in state of equality in sense of resources and opportunities

## GURJARVANI

Last but not the least we went gurjarvani recording studio where we learnt about the working of recording studio and was also presented by a live example. where the presenter first briefed us about the working then initiated an interview with the students so that we can watch the practicality of the whole thing. So if we sum up the day .it was indeed a useful day where we students were gaining knowledge and had a fruitful

## DAY 4 A TRIBUTE TO GANDHIJI

visit to the gujarat Vidyapith and  
Gandhi ashram and Adalaj

13TH DECEMBER 2018

Gujarat Vidyapith is a university which was founded in 1920 by Mahatma Gandhi and deemed a university in 1963. It focused on how every student is so attached with their roots. Everyone there wore khadi clothes to showcase equality.

Sabarmati Ashram is located on the banks of the River Sabarmati. It was from his base here that Gandhiji led the Dandi march also known as the Salt Satyagraha. We also learnt how to use charkha which was fun.

Adalaj Stepwell is a fine example of Indian architecture work. We were amazed to see the carvings. We also relived our childhood by playing games.

<b>Report</b>	<p>To facilitate cross-cultural learning experience, provide a great exposure and broaden students minds academically as well as culturally, a Student Exchange Programme was organized from 19th November, 2018 to 27th November, 2018, in collaboration with the St. Loyola College, Williamnagar. The group of six students, accompanied by a faculty member from the Department of Commerce, Mr. Sagar Goyal, attended this thoughtful and spellbinding growth-oriented programme. St. Loyola College, Williamnagar sketched the programme in such a manner that it gave students an insightful experience to learn and implement new ideas and gave the delightful oodles of exposure. The special morning assembly was organized by the host college in which students were warmly welcomed and were felicitated with the traditional hand woven mufflers wherein in the assembly they hated and enthralled by the days spent there that they got over with just a blink of an eye, maybe faster than the speed of light that they didnt reati they have been there from so many days. It was an ineffable experience for one and all.</p> <p>During the same course of the trip, the students visited St. Anthonys College, Shillong, where they were welcomed with enthusiasm. Beside academics, they were fortunate to explore the places like Mawlynnong Village, Cherapunjee, Umnagot River, Balancing Rock, Mawsmal Caves and Root Bridge, Simsang River, Monumental Park, Suspension Bridge and had a glimpse of Williamnagar market, Don-Bosco Museum, which focuses on local indigenous people and culture, their tools, clothing and artifacts of Garo,</p>

	<p>Khasi and Jaintia Hills. The Students also enjoyed the gentle swishing of the rivers and the melodious calls of the birds, which gave the feeling of fairyland. They got an ample opportunity to see India-Bangladesh Border and also witnessed the cleanest village in Asia, Mawlynnong Village.</p> <p>Going to the north east, and not going to Kaziranga is just like having a feast without a dessert, so to embrace the beauty of nature, they took an Elephant Ride in Kaziranga to witness the mesmerizing beauty which is a paradise for all nature lovers and wildlife enthusiasts.</p>
<b>Feedback</b>	<p>The exchange programme provided a fruitful learning experience outside the tedious classroom routine in Jaipur. It was indeed a awesome experience and also learnt about an improvised version of the wisdom through Department Ceremonies.</p> <p>The culture programs also introduced the art of preserving the culture of the state, beautification of the city and its cultural vibes, and especially about their traditional song Nango Re. The Exposure gave them a won derful chance to revise childhood as various activities like poetry slam, best out of waste, was organized by the Department of English which gave an aesthetics locus of diversity and opened the gateway to personal development. Cultural night was also being organised wherein the glimpse of Rajasthani Culture was provided, which gave students a feeling of awfulness.</p>

## BRIEF REPORT OF Student Exchange Program 2018-19

17<sup>th</sup> -23<sup>rd</sup> September 2018

St. Xavier's College Jaipur hosted and organized 7 days student exchange program in order to enhance students' ability to assess and understand the culture of new groups of people, in order to function effectively as a contributing member of the given community. The objectives of the programme are to expose students to non-traditional forms of acquiring maximum knowledge in minimum time, to reinforce abstract learning with learning experiences. To help students to be ambassadors for their institution and region. As we all know that it is a prerequisite for a present day student to get access to globally relevant education. Therefore, it is our endeavor to take our students to study centers nationally as well as globally, which enhances their world view. With this objective in mind St. Xavier's College witnessed a union of varied cultures in its fifth student exchange program with St. Xavier's College, Ahmedabad, Mumbai and Kathmandu.

### Inaugural Ceremony

Ice breaking activity was conducted to put the students; at ease and to interact with the audience. The students were then briefed about the newsletter activity which they will be working as a group during their seven days stay at Jaipur. The aim of the activity is to know and work as a team with student coming from different cultures.

Further, Dr. Sheila Rai gave a talk on the Indian Polity the road traversed and future ahead and enlightened the young minds about a humanitarian issues and rights. Bringing the elite program to the end, students were escorted to their respective classrooms for lectures.

### Lectures for Exchange students-

Students were escorted to their respective classrooms according to their subject specialization. Such lectures enables to add to the knowledge that students learn in a different cultural context. Students shared subject topics from their country or state perspective. Classes were full of enthusiasm and positive energy to welcome the new students. Even the Faculty modified their lectures for these days to accommodate the cultural differences of the exchange students.

**Visit of Barefoot college** – All the students invited for exchange students along with their teachers and also student volunteers of exchange team Jaipur with Faculty coordinator Dr. Sapna Newar and Dr. Leena Sharma visited Barefoot College. The Barefoot College, also known as the 'Social Work & Research Centre' is located in a remote village called Tilonia at the outskirts of Ajmer district in Rajasthan. This is a voluntary organization which began in the year 1972 under the leadership of Mr Bunker Roy. This NGO is known for various solutions related to education, health, solar, water which are designed and developed by men and women that have never been to a college. His NGO aims at making the lives of rural communities better by making them self-sufficient and helping them create employment opportunities for themselves. This educational field trip enabled students to understand the importance of integrating theoretical knowledge to practical problems. The trip also provided new skills,

experience and an outlook to understand various dimensions of development of rural communities

**Interaction with Ms Aruna Roy (Magsaysay Award Winner)-** Students interacted with social activist Aruna Roy, the founder of Mazdoor Kisan Shakti Sangathan. She motivated the students with her enlightening experiences in the journey of RTI bill. She specially mentioned, Sushila's statement in a press conference organized by the Press Council in Delhi to release the first draft of the RTI Bill in 1996. A journalist asked her with an air of extreme skepticism, "Have you been to school?" She answered, "Yes up to class four". He dismissed her with, "More learned and literate people have failed with demands for information. What can you do?" She answered, "When I send my son to the market with 10 rupees and he comes back, I ask for accounts. The government spends crores of rupees in my name should I not ask for accounts? Hamara paisa, hamara hisab (our money, our accounts)". She defined transparency and accountability with clarity and logic in four words. A slogan of the RTI movement. She is the author of the book "The RTI Story: Power to the People". Students also purchased this book personally autographed by her.

**Industrial visit to Media House** –Industrial visits offer students practical knowledge and hands-on learning experiences that are essential for better understanding of their work positions, processes, and functions. Students visited Rajasthan Patrika Printing Press for an industrial visit, where they were warmly welcomed by the officials. Students were given a chance to have a look at the printing process of the daily newspapers. They were shown the hardware, machinery and various other non-technical assets of the press. Statistical Report of daily newspaper production was also provided by the officials. A great learning experience for all the students.

**Jaipur City tour** –Exchange program scheduled one full day sightseeing Tour of Jaipur city. Jaipur is considered the first planned city of India. This one day city tour enables students to explore the impressions that Rajput rule imprinted on the city of Jaipur. Students create their own impressions of Rajasthan's rich cultural heritage, including the influences of various handicrafts through workshops led by master craft persons and team based activities. Group visited Amber Fort, Jal Mahal, City Palace and Jantar Mantar. They also enjoyed Shopping Bapu Bazaar and Johari Bazaar. They were mesmerized by the architectural beauty of various monuments for which city is known for.

**Chokhi Dhani visit** -They were taken to the cultural village of Chokhi Dhani where they experienced Rajasthani traditional hospitality and culture and relished the Rajasthan thali. This place gives the feel of Rajasthan. The folk dances, camel rides, Haldi Ghati depiction was great. Students enjoyed the traditional puppet show, magic show, camel rides, astrology.

Visits like these are certainly very important for the overall development of students. It breaks the monotony of life, fills the mind with joy and makes learning an enjoyable experience. Chokhi Dhani was an enjoyable and an enriching experience not only for the students but also for the teachers.

**Cultural Night**- The very practical goal of "Cultural Evening" is to improve student relationships and interactions with each other. Most awaited moment of exchange program each year is the cultural evening program which is more informal event. Each college participating performed through singing and dancing along with their faculties and reflected

their state culture. St. Xavier's Ahmedabad students showcased Garba Dance performance. St. Xavier's Mumbai team performed on Lavani Dance .St. Xavier's Nepal performed on Nepali songs.The overall experience watching them perform in that environment was absolutely amazing. Overall, a very memorable evening.

**NewsLetter Presentation Activity-** Newsletter Activity is one of the innovative activity planned in the programming an effort to collaborate different college students. Students were allowed to work in groups to create a two-column newsletter.

This newsletter contains the report of all activities and experiences during the last 7 days of stay in City. Group members were free to choose their role for example there are three roles, a reporter/interview, recorder/typist, and graphics/designer. Each group member needs to agree on newsletter layout, assign tasks, and complete tasks assigned. On the last day of the program , the presentation of all the groups were showcased to the Judge . The Judge of the Event was Mr. Sandeep Purohit, Chief Editor , Daily News, Jaipur . The presentation were highly appreciated by him.

**Closing Ceremony** – The student exchange program came to an end on the closing ceremony where student shared overarching exchange experience .

Some of the feedback and views of Student were “It would take volumes to learn what I grasped in seven days”, “We left as a group, we came back as a team” ,“All our expectations of St. Xavier's College , Jaipur were met. Excellent hospitality” and “The experience has enabled me to interact with other young people and broaden my knowledge.” At the end , certificate of participation were distributed to both the invited students and faculties
