Understanding the NEP 2020 Policy and its Implementation

VOLUME - 1 | ISSUE - 1 | July 2023 (March - June 2023)

Capacity Building Initiatives

St. Xavier's College Jaipur is a renowned educational institution known for its commitment to achieving excellence in teaching and learning. In line with this commitment and in response to the recent introduction of the National Education Policy (NEP), the college has embarked on a distinctive journey to incorporate NEP principles into its academic practices. To spearhead the integration of NEP 2020 into the college's operations starting from the 2023-24 academic year, the college administration formed the NEP Task Force Committee. This committee's primary role is to thoroughly study the NEP and provide guidance to the faculty members on its successful implementation.

With this objective, the Internal Quality Assurance Cell in collaboration with NEP Task Force Committee of St. Xavier's College, Jaipur, has orchestrated a sequence of workshops centered around the National Education Policy 2020. This initiative fostered around various dimensions like understanding NEP in detail and its effective implementation in affiliated colleges,

with detailed understanding of curriculum framing, credit framework etc. These workshops aimed to help faculty members understand and effectively implement NEP, covering curriculum design, pedagogy, evaluation methods, and a shift towards a holistic education approach.

St. Xavier's College Jaipur's pioneering effort to implement NEP in the current academic session underscores the institution's unwavering commitment to remain at the forefront of educational progress by diligently preparing its faculty members for the future of education.

Embracing NEP 2020: An Educational Initiative

The National Education Policy (NEP) 2020 is an education policy introduced in India that aims to bring about significant reforms in the country's education system. It was approved by the Union Cabinet of India on July 29, 2020. The policy is designed to replace the National Policy on Education (NPE) 1986 and its subsequent modifications.

Key features and objectives of the NEP 2020, related to higher education are as follows:

- **Holistic Education:** The policy emphasizes a shift from traditional learning to a more holistic learning with a multidisciplinary approach. It aims to promote critical thinking, creativity, and problem-solving skills among students.
- **Multidisciplinary Approach:** Encourages multidisciplinary education and flexibility in choosing subjects. Students will have the freedom to select subjects across streams, including arts, sciences, and vocational subjects.
- **Vocational Education:** The policy seeks to integrate vocational education into mainstream education, allowing students to acquire practical skills alongside theoretical knowledge.
- **Higher Education:** It envisions a more flexible and multidisciplinary higher education system. It recommends the introduction of a four-year undergraduate program with multiple exit options and a common entrance exam for universities.
- **Technology Integration:** It emphasizes the use of technology in education, including online resources, digital classrooms, and e-learning platforms.
- **Assessment Reforms:** The policy suggests moving away from a rigid examination-focused system and adopting a more comprehensive and continuous assessment approach.
- **Equity and Inclusion:** It focuses on bridging gaps in education access and quality, particularly among disadvantaged and marginalized groups.
- **Regulatory Bodies:** The policy proposes the establishment of a single overarching regulatory body for the entire higher education sector, replacing multiple existing regulatory authorities.

It aims to transform India's education system to meet the demands of the 21st century and promote holistic development among students. It has been met with both praise and criticism, and its successful implementation remains a significant challenge.

Principal's Message

Prof. (Fr.) S. Xavier SJ

It fills us with immense pride to announce the launch of the inaugural newsletter from the Internal Quality Assurance Cell. The academic year 2023-24 will be leading us into a structural shift with the implementation of the National Education Policy 2020. However, as an institution committed to continuous improvement, we are resolute in our pursuit of

excellence in pedagogy, research, holistic development, and innovation. This newsletter marks a significant stride in this ongoing journey, fostering the internalization and institutionalization of initiatives aimed at enhancing quality. I would like to extend my heartfelt appreciation to the IQAC for their dedicated efforts and extend my warmest congratulations on the successful publication of this newsletter.

IQAC Coordinator's Message

Mr. Yashwardhan Singh

The launch of the IQAC newsletter represents a significant milestone in its mission to align the institution's endeavours and strategies toward academic excellence. The IQAC is envisioned as an integral component of the college, leveraging the collective strengths of all its constituent units. As part of its mission to cultivate a comprehensive culture of quality within the college, the newsletter will play a crucial role in disseminating

essential information about the college and its activities at regular intervals. We extend our heartfelt gratitude to everyone for their unwavering support and collaboration in the publication of the inaugural IQAC newsletter. We eagerly await your feedback and suggestions, which we believe will contribute to the continued growth and enhancement of quality within the college.

Workshop on National Education Policy 2020

26 June 2023

St. Xavier's College Jaipur initiated a series of professional talks and workshops centered around the National Education Policy 2020 (NEP 2020) to start the new academic year. The primary objective of these sessions was to prepare and enhance the faculty's understanding of NEP 2020. The inaugural event, the Workshop on National Education Policy 2020, marked the commencement of this educational initiative. The workshop proved to be an enlightening and engaging experience for all participants.

Resource Person:

Professor B. Thimme Gowda, former Vice Chairman of the Karnataka State Higher Education Council, Professor Department of Chemistry, Mangalore University, served as the distinguished resource person for the workshop.

About the Session:

The workshop extensively covered various facets of NEP 2020, including its implementation, scope, objectives, and benefits. Professor B. Thimme Gowda shared invaluable insights into the origins and background of NEP, its evolution, and its overarching mission. He underscored the primary objectives of

NEP 2020, such as elevating the quality of education to meet global standards. The advantages of adopting NEP 2020 in the Indian education system were also elucidated, emphasizing its positive impact.

During the workshop, significant alterations brought about by NEP 2020 were discussed in detail. These included the introduction of a credit-based curriculum, which grants students greater flexibility in selecting courses and the freedom to enter and exit at various academic levels. NEP 2020 ushered in a multidisciplinary approach, integrating humanities, arts, commerce, science, and technology, alongside skill enhancement and value-based education. Professor Gowda stressed the crucial role of knowledge, skills, and values in shaping a robust education system. Concepts such as Project-based Learning (PBL), Multi-disciplinary Education &

Navigating NEP 2020 for Enhanced Academic Excellence

27 June 2023

St. Xavier's College Jaipur, continued its commitment to fostering academic excellence by organizing a workshop tailored for the Science, Social Science, and Humanities departments. The day was marked by insightful discussions and practical insights aimed at aligning the curriculum with the National Education Policy 2020 (NEP 2020). The day commenced with Fr. Principal offering a concise recap of the preceding day's activities.

Resource Person:

Prof. Fr. Dejus J. R. Professor and Head of the Department of Multimedia at St. Xavier's College, Kolkata was the esteemed resource person of the day. Fr Dejus is an M. Sc. in Computer Animation from the

University of Bedfordshire, United Kingdom. He has served as an Asst. Director and System Analyst in National Institute for Social Communication Research and Training (NISCORT), NCR-Delhi. The management and faculty members extended a warm welcome to Prof. Fr. Dejus.

About the Session:

Academic Curriculum Development for NEP 2020

The focal point of the second day revolved around the theme of Academic Curriculum Development for NEP 2020, with a specific emphasis on the fields of Science, Humanities, and Social Sciences. During the initial session of the day, participants engaged in an in-depth exploration of the intricacies of the NEP framework. This included a comprehensive explanation of various course levels, ranging from UG certificates to master's degrees. The session also delved into the categorization of subjects, encompassing major, minor, multidisciplinary, ability enhancement, skill enhancement, and value-added courses. Additionally, the discussion covered minimum credit requirements within these levels and offered clarity on the distinctions between composite, theory, and practical papers.

In the subsequent session, Prof. Fr. Dejus elucidated various course templates for UG programs, including the 5-year integrated program. He provided a detailed breakdown of how credit allocation would be executed for different types of subjects and across various course levels. Notably, he highlighted that one theory credit equates to one hour of teaching, while one practical credit corresponds to two hours of teaching. Prof. Fr. Dejus emphasized that, beyond fulfilling the minimum credit requirements, students must undertake a mandatory summer internship as part of their exit criteria at any academic level.

The day concluded with an engaging group activity, where each department was tasked with crafting a draft curriculum for the first and second semesters of their respective subjects. Following this exercise, Prof. Fr. Dejus engaged in discussions with all departments, addressing their questions and concerns regarding the curriculum drafts.

The day's proceedings were aptly brought to a close with a vote of thanks delivered by Dr. Atiqah Kelsy, Assistant Professor in the Department of English. Her words of appreciation echoed the collective sentiment of gratitude for the invaluable insights gained during this enriching workshop.

Session on 'Importance of Research in Higher Education'

25 March 2023

Xavier's Research and Publication Cell (XRPC) conducted a Faculty Development Training Program on the Importance of Research in Higher Education on March 25, 2023, in the Conference Room. The program comprised three sessions, with the first two featuring Rev. Fr. Prof. S. Xavier SJ, Principal of St. Xavier's College Jaipur, and Dr. Shivakumar T C, University Librarian at St. Joseph's University, Bengaluru, who joined online to provide insights into Research and Plagiarism Tools for Publication.

In the initial session titled 'Research and Publication for NEP Curriculum in Higher Education,' Rev. Fr. Prof. S. Xavier SJ emphasized the significance of research and publication in prestigious journals. He discussed various journal categories, including SCOPUS, SSCI Journals, AHCI Journals, and UGC Care Journals, highlighting it as a global research pathway. He also cautioned against predatory journals and recommended Web of Science as another reputable

platform for research dissemination. Additionally, it was announced that five Turnitin licenses would be acquired for faculty members' use.

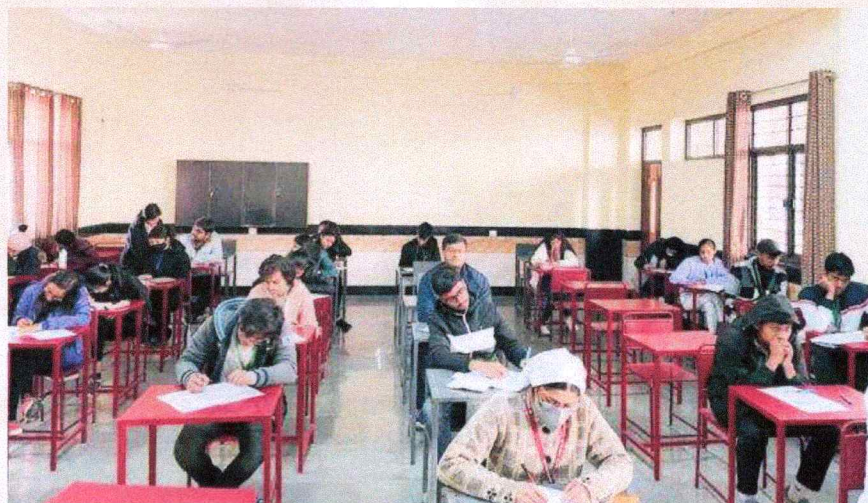

The second session involved faculty members reading and summarizing an article on Academic Integrity and Research Quality. This was followed by an interactive discussion on new research quality assessment parameters and good academic research practices. The session concluded with an in-depth examination of predatory journals and preventive measures against them.

The third session, conducted online by Dr. Shivakumar T C, provided step-by-step guidance on using Turnitin. This practical training proved extremely valuable for faculty members in enhancing the quality of their research work.

University Practical Exams

13 April - 26 May 2023

Embracing Visionary Leadership: Beginning of a New Era

In the annals of our educational institution's history, there come moments of profound change and renewal, and today, we stand at the threshold of one such transformative moment. It is with great pride and excitement we are pleased to announce the appointment of our new Principal, Rev. Prof. (Fr.) Xavier Savarimuthu, SJ, a man of remarkable learning, a profound commitment to research, and a wealth of experience in educational leadership. Rev. Fr. Prof. S. Xavier, SJ, a distinguished and highly accomplished individual known for his extensive knowledge, research orientation, and rich experience in educational leadership, brings with him a wealth of experience and a deep commitment to education. His academic background and achievements underscore his qualifications for this important role. He holds a Doctorate in Environment Science from University of Kalyani, India and has earned recognition for his contributions to academia. He is widely acclaimed for his research contributions, with numerous publications in reputed journals and participation in significant research projects. Prior to his appointment as Principal, he served in various leadership roles such as Research Director, St. Joseph's University Bengaluru and Head, Dept of Environment Studies, St. Xavier's College (Autonomous) Kolkata.

Our Management is confident that under the leadership of Rev. Prof. (Fr.) S. Xavier, SJ, our institution will continue to flourish, uphold its values, and pursue excellence in education and research. As we look to

the future, we are filled with optimism and enthusiasm and anticipate an era of innovation, growth, and a continued dedication to our core values. Together, as a united educational community, we shall march forward towards new horizons, with our new principal as our guiding light.

About IQAC - SXCJ

St. Xavier's College Jaipur primarily works towards delivering quality and holistic education and getting NAAC accreditation (first cycle) is another step in this direction. Thus, for preparing the institution towards accreditation IQAC was constituted in May 2018. Since quality enhancement is a continuous process, the IQAC is responsible for addressing the need of quality and maintaining it as our commitment to excellence at Xavier's. In keeping with the Jesuit heritage and identity, the prime task of the IQAC is to develop a system for conscious, consistent and catalytic improvement in the academic and administrative performance of the institution. This can be achieved by cultivating the capacity and inculcating the reflective and critical thought, creativity, research and innovation in its main stakeholders, that is the staff and students of St. Xavier's College. IQAC also aims to identify and cultivate the talent and potential of both staff and students, which will go towards strengthening the vision and mission of the college.

Mission of IQAC

- To streamline and formalize the institution's actions and strategies to achieve academic excellence
- To serve as the catalyst for instilling quality, addressing shortcomings, and elevating overall quality standards

Vision of IQAC

To establish and foster a culture of excellence in the institution, focused on quality in all aspects
