REPORT **St. Xavier's College, Jaipur** **Training, Internship and Placement Cell (TIPC)** **Intercell Orientation**

December 2, 2022

Training, Internship and Placement Cell (TIPC) organized the Intercell Orientation Programme on December 2, 2022 in the conference room at 12 Noon. The students from all departments were present for attending the program. The objective behind organizing the event was to orient students towards a career mentorship platform, Intercell that connects Students/Professionals with Mentors for 1-1 Virtual Mentoring, across the globe. You no longer must run aimlessly to seek help from seniors to tell you how they did it. You no longer must search Google to find answers for growth and success in your career fields.

With the help of technology and networking, we have managed to build a platform that will empower you to take better decisions in your career. We have finally launched a solution as an attempt to bridge the gap between education and progress. Intercell - Virtual Mentor Network: This is where you can reach out to leading professionals who have experienced tough times in the past and conquered them to success. You can interact with them in a one to one 'Virtual Session' right on your computer or mobile screens.

REPORT Alumni Interaction

The E-Cell under the Department of Business Administration organised its first Alumni Interaction of the session 2022-23 on the 19th of September.

The event began with a fulfilling introduction of the speaker, Anushka Jain. She was welcomed by our principal, Rev. Fr. Dr. A Rex Angelo, who gifted her a sapling.

Next, Father Principal was invited upon stage to give a welcoming speech, containing a beautiful story to work hard towards your goal, and never give up.

The audience was motivated and excited to hear our speaker. She was called upon stage to talk about her motivation and her struggles to build the brand she owns today. She talked about her business label, Anushka Jain Jewellery, and the vision behind this venture of hers. She asked the students to work hard even when you feel it's not working out. She also emphasized on making a to-do list on a daily basis, as it helped a lot in building her brand. Anushka proved to be a great speaker who holds the ability to inspire others. Students were curious to know more about her and her venture, and asked many questions, which she answered very respectfully.
