

Innovation and Incubation Cell

St. Xavier's College Jaipur
Annual Report 2023-24

1. About the Department/Cell/Club/Committee:

St. Xavier's College Jaipur has initiated an Innovative effort of establishing an INNOVATION & INCUBATION CELL (IIC) in the academic session 2020-2021. The primary objective of this cell is to facilitate the creation of Job providers in India. Taking forward the mandate of Ministry of Human Resource Development (MHRD) & Atal Innovation Mission (AIM), we being a higher education institution aims to provide a platform to students to create new ideas and inventions, which shall benefit the students, our institution, and society at large. The basic aim of this cell is to bring small transformations in the society resolving the basic problems prevailing in the environment, by guiding students or young entrepreneurs to come up with solutions to the problems through their entrepreneurial initiatives.

2. Member Details:

Innovation and Incubation Cell

St. Xavier's College Jaipur Annual Report 2023-24

establishing strong connection with ecosystem enablers at regional and national level, and aware students and faculty members about innovation ecosystem in their surrounding and at national level.

2. Institution Innovation Council is organized a session on “Entrepreneurial Elevation: Igniting Youthful Ambitions” on National Youth Day by Mr. Vaibhav Pandey on 12th January, 2024. Mr. Vaibhav Pande is an entrepreneur, a TEDX speaker, Josh Talks speaker, top 10 inspiring personalities list by India Today magazine and listed in Fortune Magazine. The session was organized to enrich students in regard to the entrepreneurial journey.
3. The Intellectual Property Rights (IPR) Cell and Institutions Innovative Council (IIC) Cell of St. Xavier's College Jaipur organized Online Joint Workshop on IPR - Patents, Designs in association with RGNIIIPM Nagpur. Pre-registration is mandatory to participate in the program. The resource person for the session was Dr. Bharat N Suryawanshi is working for more than 20 years in Central Government Office under the Patent Office, Ministry of Commerce and; Industry and presently worked as Assistant Controller of Patents and; Designs. The workshop was conducted to promote awareness about patents and its procedure to apply.
4. Telecast of PM address on the vision for Viksit Bharat@2047, which was unveiled by the honourable prime minister on December 11, 2023, at 10:30 am, was presented before the teachers and students at St. Xavier's College Jaipur in the conference room. By launching this programme, the Indian government is reinstating its aim to make the country a developed nation by 2047, when the country will celebrate its centennial of independence. The vision seeks to construct an India that thrives by embracing several aspects of progress, including economic growth, social development, environmental sustainability, and good governance. The Prime Minister called on the youth of India to take part and use their enthusiasm, determination, energy, talent, and capacity to help India achieve Viksit Bharat by the year 2047. To spread the principles and mission of Viksit Bharat to every young person in the country, he urged educational institutions, students, and teachers to launch outreach programmes. A large number of students, teachers, and staff members showed up to the event. With the whole faculty and student body in attendance, Principal Fr. Prof. S. Xavier, SJ, gave the concluding comments.
5. **National symposium and Knowledge Transfer Programme** (*College to Village – Village to College*), an **Entrepreneurship Training Initiative** and the **3rd National Symposium** from **2-4 March 2024** on the theme ‘**Envisaging Viksit Bharat @ 2047**’. An eminent resource person **Prof Krishnendu Acharya, University of Calcutta**, interacted with the students and shared a wealth of experience and knowledge. In an engaging ideathon led by Professor Krishnendu, students created 22 business concepts, out of which the top three were recognized with awards Spanning
