### 3. Educate to Empower: Awareness Against AIDS: World AIDS Day

The Red Ribbon Club, in collaboration with NSS, Debate Society, Gender Study and Women's Cell, and Xavier's Photography Club, organized Red Ribbon Reel (Rock the Ribbon), Debate Competition, and Poster-making competitions from November 29 to December 2, 2023, on the theme "**Educate to Empower: Awareness Against AIDS.**"

For the reel-making competition, students were informed to create the reel and send it by November 29, 2023, on themes related to AIDS. Students were asked to create different posters on AIDS and submit them by December 1. On the same day, in the college campus, the Red Ribbon Club formed a human chain. Red Ribbon Club teacher coordinators and member Dr. Sunita Choudhary and Dr. Mamta Pareek informed the youth about the importance of AIDS awareness. They shared this year's World AIDS Day theme: "Let Communities Lead." Through that theme, they informed students about how each individual can make a difference in society and how we can protect each other from this deadly disease.

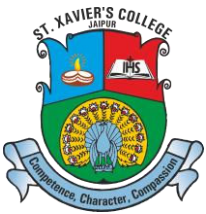

On December 2, 2023, RRC, in collaboration with the Debate Society, organized a debate competition in which many students enthusiastically participated. The topic was "**Social Media Creates AIDS Awareness in Youth,**" and the event took place at 9:30 am in the conference room. The debate competition began with a welcome note to the judges, Dr. Ranjeet Kaur and Rev Fr Dr. Raymond Cherubin. After the introduction, students were asked to be seated according to their positions for or against the motion, as it was informed to them a day before the debate competition. All the students enthusiastically participated in the event, which was witnessed by around 27 students in the audience. At the end of the debate competition, the judges appreciated the students for their enthusiastic participation and motivated them to keep participating in such events in life. Students were very happy with the different kinds of events being organized, and they learned about AIDS awareness.
