Introductory session on Sign Language

The All India Catholic University Federation (AICUF) is pleased to announce an **Introductory session on Sign Language**. This presentation aims **to** introduce students to the basics of **sign language** and **emphasize the power of non-verbal communication in creating an inclusive society**.

Sign language is not just a means of communication for the hearing impaired but also an expression of identity and culture. **It bridges the gap between those who can hear and those who cannot, fostering understanding and respect**. Through this session, students will gain insight into the world of sign language and its significance in everyday interactions.

The presentation will also highlight the importance of human **expression beyond words**—how gestures, facial expressions, and body language play crucial roles in human connection. AICUF believes that raising awareness about sign language is a step toward building a more compassionate and inclusive community, **where every individual feels seen, heard, and respected**.

All students are encouraged to attend this insightful event.

Date: **23 September 2024**
