Nationwide Quiz Competition to celebrate RBI 90th Anniversary

The Department of Economics is pleased to offer undergraduate students the opportunity to showcase their expertise on a national platform. The Reserve Bank of India (RBI) is organizing a nationwide quiz competition to celebrate its 90th anniversary.

The quiz is general and is open to students pursuing bachelor's degree courses across all streams. It offers very attractive prizes and provides an excellent opportunity for our college to be recognized as a participant in this prestigious RBI initiative.

The quiz will be conducted in four stages:

1. **Countrywide Online Contest:** Students will participate in a Multiple-Choice Questions (MCQ) format quiz in teams of two. Multiple teams from the college can register and compete in this round.
2. **State-Level Round:** Teams that qualify through the online contest will advance to an in-person quiz to determine the state-level winning teams.
3. **Zonal Level Round:** State-level winners will compete against each other in five different zones.
4. **National Final:** The five zonal winners will face off in the final contest to compete for the top prizes.

We encourage all interested students to register as representatives of St. Xavier's College Jaipur. Participating in this event will not only bring glory to our college but also help us gain recognition as active contributors to the RBI's educational initiatives.

To participate in the competition, first register on the RBI website using the link provided below. After completing your registration on the website, please fill the Google form.
