Feedback Report on Diwali Celebration

The Diwali celebration event received a highly positive response from the participants, as reflected in the feedback collected. Below is a summary of the key insights based on the participants' responses:

1. **Source of Information**

   A significant majority (72%) of the participants learned about the Diwali celebration through WhatsApp. This highlights the effectiveness of the platform in spreading event-related information.

2. **Event Organization**

   Nearly all participants (89.7%) felt that the event was well organized. This demonstrates that the planning and execution were efficient, and the event was managed smoothly, creating a positive experience for those in attendance.

3. **Quality of Assistance from Organizers**

   The feedback on the event organizers was overwhelmingly positive, with 82.8% describing them as very helpful, friendly, informative, and supportive. Additionally, 13.8% of respondents also felt that the organizers were helpful, which indicates a high level of participant satisfaction with the event's coordination and support staff.

4. **Session Quality**

   When asked about the quality of the session or activity, 80% of participants expressed satisfaction with the content. This reflects the event's ability to engage and provide value to the attendees, reinforcing the relevance of the activities planned.

5. **Key Takeaways**

   The biggest takeaway from the event for many participants was the overall sense of community, learning, and festive spirit. The feedback reflects that the Diwali celebration not only offered a culturally enriching experience but also promoted bonding and cooperation among attendees.

Overall, the feedback from the Diwali celebration indicates that the event was a success, with high levels of satisfaction in terms of organization, content, and the helpfulness of the organizers.
