Continuing with its tradition of excellence in all aspects of Higher Education, especially research, the Research and Development Cell (RDC) of St. Xavier's College Jaipur has come out with its new online journal titled अनुसन्धक (Anusandhak). The Journal is committed to forwarding and encouraging multidisciplinary outlook, quality research that is socially relevant and addresses contemporary issues with either an interdisciplinary perspective or an in-depth expertise in a particular field of study.

As the title suggests, we encourage insightful research, in both the qualitative and quantitative spheres that is reliable, verifiable and holds meaning and relevance to the burning issues of the society and world and can contribute meaningfully towards the betterment of the society by becoming catalysts for change.

The journal is online, ISSN: 3048 – 8567 (Online), open access and peer reviewed to ensure standard research be done, encouraged and disseminated ethically for the benefit of the society.

RDC invites academics, researchers, industry and field experts, scholars and students to submit their original research work in the form of research papers/articles/ book reviews on relevant issues from various disciplines of study, as listed below:

AIM AND SCOPE

अनुसन्धक (Anusandhak), ISSN: 3048 – 8567 (Online), is a peer reviewed online and open access journal that aims to encourage quality research in a variety of disciplines by publishing it and making research accessible to the society at large. Papers submitted can be from a range of disciplines from science to management, social sciences to humanities, IT to language and literature with the sole objective of advancing learning and encouraging a better and wider understanding of the world around and within so that concrete results can be sifted for making this world a better place.

Multidisciplinary research can be more insightful as it encourages dialogue amidst different fields by integrating research and knowledge from various fields of learning and promoting a more holistic approach towards life and learning. The aim is to promote studies that go beyond traditional disciplinary boundaries. Articles should demonstrate the potential for multidisciplinary research. This involves integrating methodologies, theories, and perspectives from different fields. Thus, it can be instrumental in decision making at the level of policy making and governance, initiating change, spreading awareness.

GUIDELINES FOR THE AUTHOR(S)

Original quality research work not published earlier or in consideration elsewhere for publication, in the form of research papers/review articles/case studies/ empirical research/ analytical papers/ book reviews are welcome.

Word Limit – 2000-5000 words
