World Earth Day 2025

As part of the World Earth Day 2025 observance, the Department of Science at St. Xavier's College Jaipur, is organising two eco-conscious events to promote traditional wisdom, sustainability, and energy conservation on campus. The Theme for Earth Day 2025 is "Save Energy Save Earth".

Event-1: "Progress Through Tradition: The Matka Water Initiative"

Date: 22 April 2025

Time: 11:15 AM

Venue: North Quadrangle

It is proud to launch "Progress Through Tradition: The Matka Water Initiative", a unique initiative aimed at reviving traditional water conservation practices by placing earthen pots (matkas) at key locations across the campus for drinking water.

This eco-conscious campaign draws inspiration from Indian Knowledge Systems (IKS) and aligns with the United Nations Sustainable Development Goals (SDG 3 – Good Health and Well-being & SDG 11 – Sustainable Cities and Communities).

Event-2: Green Mile – A Stride Towards Sustainability

Date: 26 April 2025

Time: 11:15 AM

Venue: Basketball Court

The Green Mile Eco Run of 1.6 KM is designed to inspire awareness and action toward a sustainable future by emphasizing the urgent need to shift to renewable energy sources and embrace eco-friendly lifestyles. Resonates strongly with SDG 7 – Affordable and Clean Energy.

Let's lace up and lead by example—every step you take is a step closer to a cleaner, greener planet.
