Misuse of Social Media Platforms

It has come to the notice of the College Management that certain **unofficial WhatsApp and Instagram groups** have been created where activities related to **ragging, abuse and harassment of students, particularly female students, are taking place.**

The College strongly condemns such actions and issues the following directives for strict compliance:

1. **Ragging is a criminal offence under law** and is strictly prohibited both within and outside the campus.
2. Any form of **abuse, harassment or torture - verbal, physical or online** will invite the strictest disciplinary action including possible debarment from the College.
3. Misuse of **social media platforms** for ragging or harassment will not be tolerated. Offenders will be directly dealt with by the **Government Cyber Crime Cell**, in addition to internal disciplinary measures.
4. All students are strictly instructed to **exit such unofficial groups immediately** and refrain from participating in any activity that promotes ragging, abuse or harassment.
5. Students are expected to uphold the **dignity, respect and values of the institution** at all times. Any such incident must be reported without delay to the **Anti-Ragging Cell**.

The Management reiterates that **strict action will be taken against any violation** of the above instructions.
