

**ICSSR Sponsored Multi-disciplinary
International Conference on *Envisaging Viksit Bharat @ 2047*
In collaboration with NITI Aayog**

Publication Overview: “Envisaging Viksit Bharat @ 2047”

The publication “Envisaging Viksit Bharat @ 2047” brings together a selection of high-quality research papers submitted and peer-reviewed following the ICSSR-sponsored international conference organised by St. Xavier’s College Jaipur, in collaboration with NITI Aayog, held in March 2024. The conference convened eminent scholars, policy makers, and educators to address the multifaceted vision of a developed India by the centenary year of Independence.

Selected papers were published in two distinct categories:

1. **Book Chapters:** Contributing to the edited volume “Envisaging Viksit Bharat @ 2047,” released by Bloomsbury Prime.
2. **Multidisciplinary Research Journal:** Peer-reviewed articles featured in the “Anusandhak” (e-ISSN 3048-8567) journal, Volume 3, 2024 issue, exemplifying academic rigour and multidisciplinary inquiry.

The published research spans diverse themes including economic growth, technological transformation, sustainability, governance, social inclusion, gender equity, mental health, and cultural dynamics. The papers exploring India’s potential and priorities for 2047. The collective academic endeavour not only furthers the discourse on national development but also integrates technical, scientific, and social dimensions essential for realising a resilient and equitable India.

By publishing the selected conference papers in both a prestigious book and a peer-reviewed journal, St. Xavier’s College Jaipur, aims to disseminate innovative research and actionable recommendations central to India’s developmental roadmap, ensuring meaningful contributions to national and global scholarly communities.
