E-Waste Collection Drive for a Greener Future

The Department of Computer Science is celebrating National E-Waste Day in collaboration with the Tech-X Society, Swachhta Action Plan (SAP) and National Green Corps (NGC) by organizing an **E-Waste Collection Drive** under the theme "**Reduce, Reuse, Recycle E-Waste**" from **1 to 14 October 2025**.

The purpose of this initiative is to raise awareness about proper disposal and recycling of electronic waste (E-Waste) to promote environmental sustainability. All students, faculty members, and staff are encouraged to participate in this drive by responsibly disposing of their unused or broken electronic devices.

The E-Waste bins will be kept outside staff rooms (ground and second floor) department wise. The department which collects the maximum waste will be rewarded.

Let's work together to keep our environment free from hazardous electronic waste!

Date: 1 to 14 October 2025.
