Visit to Jantar Mantar

Sanskriti- The Indian Knowledge System Cell under the aegis of Internal Quality Assurance Cell (IQAC) of St. Xavier's College Jaipur is organizing an educational visit to '**Jantar Mantar, Jaipur**' on 29 November 2025. The Jantar Mantar is a remarkable collection of astronomical instruments built by the Rajput king Sawai Jai Singh, the founder of Jaipur. Renowned for its monumental structures designed for precise celestial observation, it played a crucial role in refining astronomical tables for practical use in timekeeping, calendar-making, and predicting celestial events. The monument also reflects the Indian Knowledge System, showcasing traditional scientific wisdom, indigenous mathematical principles, and a deep understanding of cosmic order that guided Indian rulers in governance and cultural life. Its unique blend of scientific ingenuity, architectural excellence, and civilizational knowledge contributed to its recognition as a **UNESCO World Heritage Site**.

Details of the Event:

- **Date:** 29 November 2025
