Established in 2010 and elevated to a postgraduate department in 2019, the Department of Commerce at St. Xavier's College Jaipur has emerged as a vibrant centre of academic excellence and professional development. The department is committed to providing quality education that blends strong theoretical foundations with practical exposure, preparing students to excel in the dynamic world of business and commerce. The department offers specialized programmes in Banking and Finance, designed to equip students with industry-oriented knowledge, analytical skills, and professional competence. The teaching-learning process is enriched through innovative methods such as case studies, experiential learning, industrial visits, workshops, guest lectures, field trips and expert interactions that foster critical thinking and adaptability.

The Xavier's Fintech Commerce Society plays a significant role in promoting academic and co-curricular excellence through departmental fests, seminars, workshops, and industrial interactions, encouraging leadership, teamwork and communication skills among students.

Beyond academics, the department emphasizes holistic development by nurturing ethical values, entrepreneurial spirit, and professional integrity. Guided by a dedicated and experienced faculty team, the department strives to create an inclusive and intellectually stimulating environment that inspires students to achieve academic distinction and professional excellence.

CERTIFICATE COURSES

SKILLUP FINANCE: TALLY & STOCK MARKET

The Department of Commerce consistently strives to enrich students' academic and professional growth by offering value-added certificate and skill-enhancement programmes beyond the regular curriculum. These courses are thoughtfully designed to provide practical exposure, industry-oriented training, and experiential learning in the domains of accounting, finance, taxation, and business analytics.

In recent years, the Department has successfully conducted programmes such as the Certificate Course in Tally ERP and Fundamentals of Stock Market and Investment Strategies. Through these initiatives, students gain hands-on learning experiences, strengthen their analytical and financial acumen, and develop industry-relevant competencies that enhance their employability and career preparedness in the dynamic world of commerce and finance

ADDITIONAL COURSES

BRIDGE COURSE

The Department of Commerce conducts a Bridge Course at the commencement of every academic session to facilitate a smooth transition for first semester students into the B.Com programme. Designed especially for students from diverse academic backgrounds, the course aims to strengthen foundational understanding in key areas such as Accounting, Commerce, Economics, Marketing, and Management.

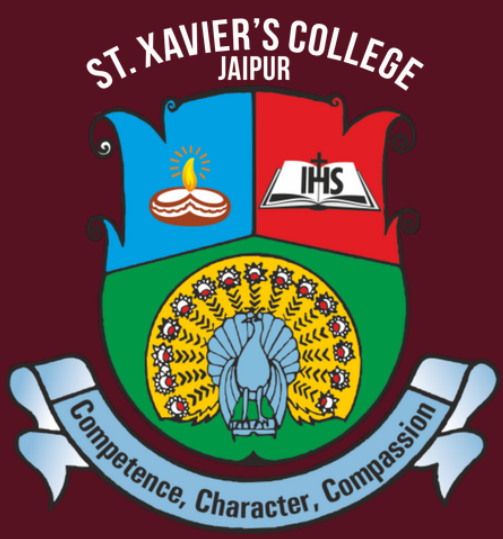

The Bridge Course also familiarizes students with the structure and expectations of commerce education, enabling them to adapt confidently to the academic environment. Through continuous guidance and practical exposure, the initiative supports students in building a strong academic foundation and improving their overall learning experience. This programme reflects the Department's commitment towards inclusive learning, academic preparedness, and holistic student development.

ACADEMIC EXCELLENCE THROUGH SWAYAM & NPTEL

The Department of Commerce actively encourages students to enroll in SWAYAM and NPTEL courses to promote self-directed learning and enhance academic excellence beyond the classroom. Students have successfully completed various certification courses offered by premier institutions such as IITs and IIMs in the areas of finance, marketing, management, business communication, and entrepreneurship.

The Department takes pride in its SWAYAM/NPTEL achievers who have demonstrated dedication, academic curiosity, and commitment towards continuous learning. These certifications provide students with industry-relevant knowledge, strengthen their professional competencies, and enhance their employability skills. Through consistent mentoring and guidance from faculty members, students are motivated to pursue online learning opportunities and achieve academic distinction at national platforms.

FOSTERING EXCELLENCE THROUGH EXPERIENTIAL LEARNING & ENGAGEMENT

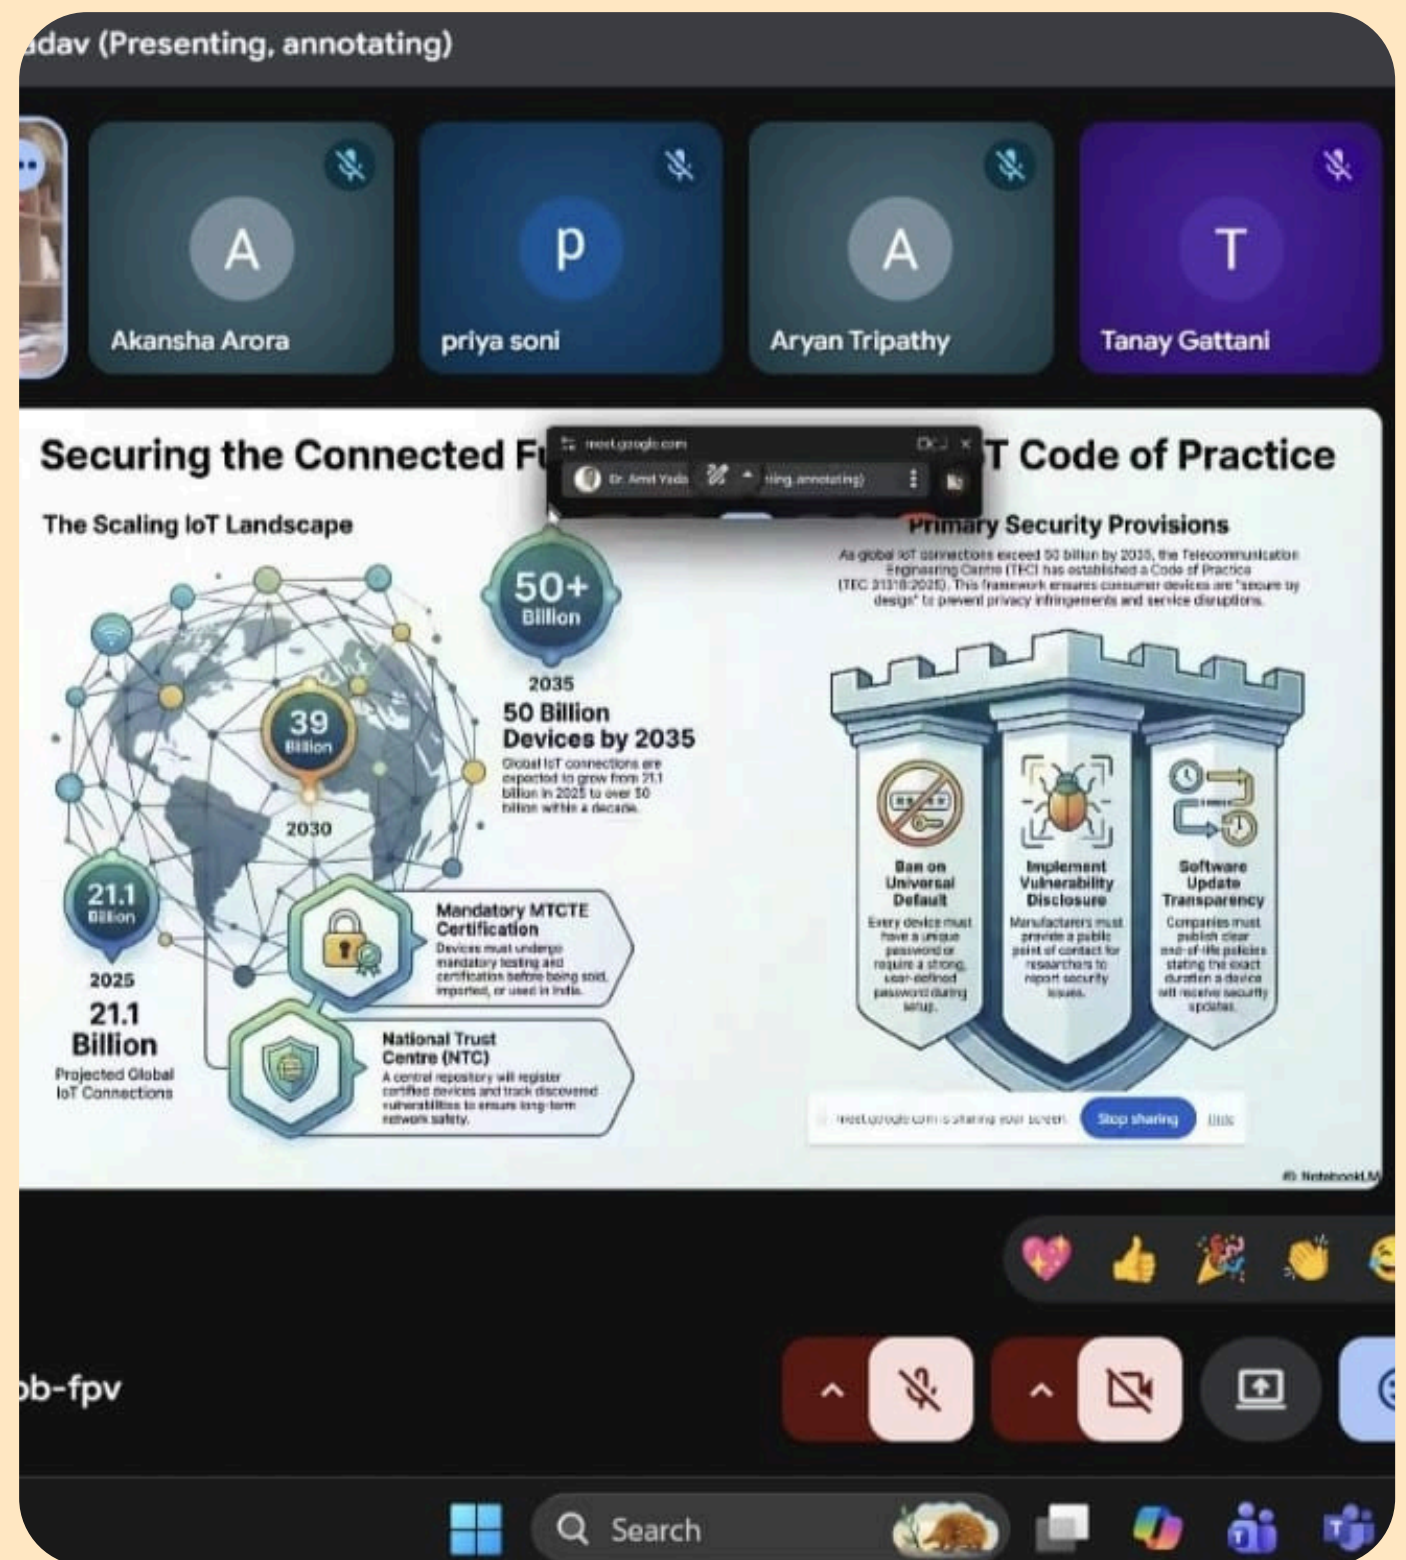

Alumni Talk Show "Echoes of Success"

The Department of Commerce at St. Xavier's College Jaipur, via its Fintech Commerce Society, hosted the "Echoes of Success" Alumni Talk Show on 17th September 2025, featuring alumni Srishti Shrivastav and Tushar Goyal. The session bridged academic learning with industry insights through engaging talks and an interactive Q&A with 40 students. Participants gained practical career guidance and inspiration from the alumni's candid experiences and expertise.

Consumer Awareness Session – "From Market Place to Digital Space: Consumer Rights Under Consumer Laws"

The Department of Commerce at St. Xavier's College Jaipur, together with its Fintech Commerce Society and Consumer's Society, held an online awareness session on "Consumer Rights Under Cyber Law" on 19 March 2026, featuring Dr. Amit Yadav of Manipal University Jaipur. The session explored the evolution of consumer rights from traditional marketplaces to digital platforms, emphasizing cyber safety and legal awareness in online transactions. An interactive Q&A empowered 74 students with practical insights, fostering responsible and informed digital consumer behavior.

FOSTERING EXCELLENCE THROUGH EXPERIENTIAL LEARNING & ENGAGEMENT

Tally Course

The Department of Commerce at St. Xavier's College Jaipur, in collaboration with Discet Education Pvt. Ltd., conducted a Tally Course to equip students with hands-on training in Tally ERP for accounting and financial management. Expert trainer Mr. Arun Kumawat led interactive sessions covering ledger creation, GST compliance, payroll, inventory management, and financial statements through live demonstrations. The initiative bridged theoretical knowledge with industry demands, enhancing students' professional competencies and career readiness in the corporate finance sector.

Industrial Visit

The Department of Commerce at St. Xavier's College Jaipur, with its FinTech Commerce Society, organized an industrial visit to Frubon, Mahindra World City, on 15th May 2026 for B.Com students. Participants gained practical exposure to food processing operations, quality assurance, and FMCG sector entrepreneurship through insights into modern machinery, hygiene protocols, and Frubon's "Happiness Served Fresh" business model. The visit successfully bridged classroom theory with real-world applications, enhancing students' understanding of operational dynamics and entrepreneurial opportunities in the food industry.

LET'S HEAR FROM OUR ALUMNI

My journey at St. Xavier's College has been truly transformative and memorable. As a student of the Department of Commerce, I explored myself beyond academics through various clubs, events, and leadership opportunities that shaped my personality and career foundation. From participating in and organizing events to being a part of the Students' Council, maintaining strong academics, and even serving as the Head of the Technical Department despite being a commerce student, every experience helped me grow immensely. Receiving the Pride of Department Award was one of the proudest moments of my journey. I am deeply thankful to all the mentors and faculty members whose constant support and guidance made all of this possible. Xavier's will always hold a special place in my heart for giving me the confidence, learning, and foundation for my future.
