Unofficial Social Media Groups

All students are hereby informed that the creation and use of unofficial social media groups, especially WhatsApp groups, in the name of the College, departments, classes, or any institutional activity without prior permission from the College authorities is strictly prohibited.

It has been observed that such groups often circulate unverified information, leading to confusion, miscommunication, and disruption of the academic environment. Students are therefore advised to rely only on official communication channels of the College for all academic and administrative updates.

Any student found creating, administering, or participating in such unauthorized groups will be liable for disciplinary action as per College rules.

All are requested to adhere strictly to this directive and maintain the decorum and integrity of the institution.
