DEPARTMENT OF COMPUTER SCIENCE

CODE TODAY SHAPE TOMORROW

Empowering The Next Generation of Technology Leaders

ADMISSIONS OPEN 2026-27

Why choose BCA at XAVIER'S?

- Industry relevant curriculum with latest technology
- Hands-on training in programming, AI and modern tools
- Experienced and supportive faculty
- Strong industry exposure and internship opportunities
- Focus on practical learning and real world projects

HIGHLIGHTS

- Techzine: Our student-driven magazine showcasing innovation and ideas
- Alumni Sessions: Bridging students with real-world experience and guidance
- Career Guidance: Empowering students for successful careers and future paths
- Technoid: Our flagship technical fest full of innovation and excitement
- UBA Activities: Contributing to rural development through Unnat Bharat Abhiyan
- Add-on Courses and Certificate Courses

OUR VISION

The Department aims to promote excellence by providing knowledge and training of the latest technology of computing with a high degree of professionalism in keeping with ethical and legal issues.

BEYOND THE CLASSROOM

Hands-on Learning

Workshops & Seminars

- Specialised learning opportunities tailored to current industry demands, enabling students to stay updated with rapidly evolving technologies
- Interactive experiential sessions that encourage problem-solving, innovation, teamwork, and application-based technical learning
- Career-focused programs that help students build confidence, improve professional capabilities, and gain an edge in competitive job markets

Skill Enhancement

Add-on & Certificate Courses

- Certificate courses like: Data Science using Python, Android Application Development, Red Hat, Data Visualization, Hack Tech and Graphics Editors like Corel Draw & Photoshop
- Short-term certifications in Cybersecurity, AI and Prompt Engineering, Cloud Computing, ICDL, Full-Stack Development
- Gain industry-ready skills beyond the academic syllabus.
- Hands-on training with real-world projects and modern technologies

We don't just teach - we build the confidence to create with it

The department newsletter is a dynamic platform that captures the spirit of innovation, creativity, and achievement within the department. It highlights student accomplishments, technical articles, research activities, departmental events, workshops, and industry insights while encouraging students to share their ideas and perspectives. The newsletter serves as a bridge connecting students, faculty, alumni, and the ever-evolving world of technology.

TECHNOID

Annual Tech Festival

- Technoid — the flagship Annual Tech Fest of Department of Computer Science St. Xavier's College Jaipur where innovation, creativity, and competition collide in an electrifying digital experience
- Step into a futuristic realm where technology transcends boundaries and ordinary code evolves into groundbreaking possibilities
- Engage in intense hackathons, cryptic coding battles, and high-stakes technical challenges designed to push skills beyond limits
- Connect and collaborate with industry experts, innovators, and brilliant minds from across the tech world
- Experience an atmosphere charged with creativity, adrenaline, and the relentless pursuit of innovation
- As the sun sets, witness the fest transform into vibrant cultural nights filled with music, performances, and unforgettable campus energy

TRANSFORMING CONCEPTS INTO REALITY AND NURTURING INNOVATION

TECHZINE

TechZine, the department magazine, showcases student creativity, technical insights, and innovative ideas. It highlights departmental achievements, activities, and emerging trends in technology.

INFORMATICA

Informatica is the department's student-driven research and innovation initiative that encourages learners to explore emerging technologies and develop practical solutions. Through projects, publications, and collaborative activities, students gain hands-on experience, critical thinking skills, and exposure to real-world problem solving.

INQUEST

InQuest by Xavier's Research & Development Cell (RDC) is a platform that encourages students to explore research, innovation, and academic writing. It provides aspiring researchers with opportunities to present ideas, publish papers, and engage in intellectual discussions under expert guidance.

BEST PRACTICES

UBA: KNOWLEDGE TRANSFER PROGRAMME

The Unnat Bharat Abhiyan (UBA) Knowledge Transfer Program is an initiative aimed at bridging the gap between academic institutions and rural communities through knowledge sharing and skill development. The program encourages students and faculty to contribute towards community development by conducting awareness sessions, digital literacy programs, technical workshops, and sustainable development activities, fostering social responsibility and inclusive growth.

Your journey to success begins with the right education and the right environment.

TESTIMONIALS

Honestly, my time at St. Xavier's College Jaipur was really enjoyable. It wasn't just about lectures and assignments — I ended up learning a lot through everyday experiences, interactions, and everything happening around campus.

The faculty was supportive and easy to talk to, which made things feel less formal and more comfortable.

Kunal Mathur
Batch (2015–2018)

Mahee Sarawgi
Batch (2020–23)

My time at Xavier's has been truly transformative, giving me a strong foundation in both theoretical and practical aspects of the field. The supportive faculty and well-structured curriculum encouraged me to grow academically and participate actively in college activities. With the guidance of my mentors, choosing Xavier's has been one of the best decisions of my life.

My time at St. Xavier's College Jaipur was truly enriching and transformative. The department provided a strong academic foundation along with practical exposure that helped me develop both technical and professional skills. The supportive faculty members were always approachable and encouraged continuous learning.

Daksh Tak
Batch (2020–2024)

Ayon Ghosh
Batch (2022–2025)

My journey at St. Xavier's College Jaipur has greatly shaped my academic and professional growth. The supportive faculty, strong academic foundation, and opportunities in leadership and technical activities helped me develop both technical and interpersonal skills. Xavier's gave me the confidence, knowledge, and experiences that continue to guide me in the field of technology.
