# Department Best Practices

## Envision X Vendesto

Envision X Vendesto is the flagship academic fest of the BBA and B.Com departments, celebrating innovation, creativity, business acumen, and entrepreneurial excellence.

## Business Conclave

An elite corporate-academic platform bringing together industry leaders and management experts to discuss emerging economic trends, value-driven leadership, and business innovation.

## InYouth: Youth Summit

The InYouth features panel discussions and interactive sessions with prominent keynote speakers spanning business leaders, environmental activists, media personalities, and tech innovators.

## Industrial Visit

Learning extends beyond the classroom. Our structured Industrial Visits, a mandatory component of the BBA curriculum, provide students with direct exposure to the corporate world.

## Expert Sessions

To bridge theory and practice, we regularly organize Expert Sessions and Guest Lectures featuring corporate leaders, industry veterans, and renowned subject experts.

## Alumni Sessions

A cornerstone of our student development program is our vibrant alumni network. Through regular Alumni Interactive Sessions, we connect academic learning with real-world corporate experiences.

## Health Camp

A departmental health camp is a collaborative community initiative offering free medical checkups, health screenings, and wellness education to nearby villages.

# Certificate Courses

The Department of Business Administration consistently strives to enrich students' academic and professional growth by offering value-added certificate and skill-enhancement programmes beyond the regular curriculum. Designed to provide practical exposure, and industry-oriented training

- Certificate course on Strategic Financial Decisions
- Certificate course on Digital Marketing
- Certificate course on Event Management
- Certificate course on Entrepreneurship and New Venture Creation Course
- Bridge Course: To meet the gap bridge course helps students transition smoothly into a new stream by bridging gaps between their previous academic background and the knowledge and skills required in their chosen field.
