## Xavier University Jaipur: Strategic Identity Survey

The Jaipur Xavier Educational Association (JXEA) is embarking on another mission: the upgrade of St. Xavier's College Jaipur, to Xavier University Jaipur. As we prepare for our **historic transition into a State Private University by July 2027**, we are undergoing a visioning exercise to define the "**core pillar**" that will anchor our academic identity, curriculum, and institutional culture. We want to co-create this vision with all our stakeholders, including faculty, staff, students, parents, employers, alumni and external stakeholders. Your input will directly shape the University Charter, our new academic programs and our research focus.

The "**Strategic Identity Survey**" has been designed to gather valuable insights from **Faculty, Staff, Students, Parents, Alumni, Employers, and External Stakeholders** regarding the proposed strategic identity of Xavier University Jaipur. The feedback received will contribute significantly to strengthening the University's foundational values and shaping its future academic, institutional, and strategic vision.

All stakeholders are requested to participate in the survey by submitting their responses through the Google Form using the link provided below:
