Training, Internship, and Placement Cell (TIPC)
Agnirva Internship Programs (AICTE NEAT 5.0 Initiative)

This is to inform all students that applications are now open for the **Agnirva Internship Programs**, offered by **Agnirva**, an **ISRO Registered Space Tutor**, inaugurated by **IN-SPACE**. These internship programs are **free, 100% online**, and are designed to equip students with advanced knowledge and practical exposure in emerging technology domains while helping them build strong professional portfolios.

About Agnirva

Agnirva is an ISRO Registered Space Tutor inaugurated by IN-SPACE and a learning network of over **100,000 learners**, enabling **40 million+ learning achievements**. Its mission is to help students engage with real-world systems, credible resources, and emerging technologies to prepare them for future career opportunities across multiple industries.

Internship Program Highlights

Under **AICTE's NEAT 5.0 Initiative**, six Agnirva Internship Programs have been screened, onboarded, and listed in the following domains:

- Space
- Artificial Intelligence (AI)
- Climate
- Software
- Design
- Product Management

These internship programs are open to students from **all disciplines**, including Engineering, Science, Management, Commerce, Design, Arts, Humanities, and other allied fields.

Application Process

1. Interested students may register online through the Agnirva Internship Programs portal by visiting: <https://www.agnirva.com/agnirva-internship-programs>
2. Students are advised to select the internship track that best aligns with their academic background and career aspirations and complete the online registration process as per the instructions provided on the portal.

Note: All students registering for the internship are required to email their registration confirmation/details to tipc@sxcjpr.edu.in for institutional records.
