From Roots to the Horizon: A Journey of a Vision Turning into Stories of Excellence

St. Xavier's College Jaipur celebrates fifteen years of holistic formation, academic excellence, and value-based education. Established in 2010 under the Jesuit Xavier Education Association (JXEA) with just five undergraduate programs and 350 students, the college was anchored from its inception in the Jesuit ideals of competence, character, and compassion. Today, it has matured into a dynamic multi-disciplinary institution serving over 2,100 students.

The formative decade at the Hathroi Fort campus laid a robust foundation where vibrant academics seamlessly integrated with co-curricular leadership, sports, and community outreach. This period nurtured the Jesuit ethos of service, inclusivity, and *Cura Personalis* (care for the whole person).

A landmark transition occurred in 2021 with the relocation to the expansive 25-acre Nevta-Mahapura campus. This green, ICT-enabled campus catalyzed an expansion into research, postgraduate studies, and rural development through Unnat Bharat Abhiyan. The milestone establishment of Xavier Institute of Management & Informatics, Jaipur in 2022 further extended this vision, blending industry-aligned management and informatics education with enduring Jesuit values. As we look from our roots to the horizon of becoming a university, St. Xavier's College Jaipur continues to turn vision into stories of excellence.

Principal's Message

Dr. (Fr.) Arokya Swamy SJ

It is with profound pride and deep satisfaction that I present this special 15th-anniversary issue of the IQAC Newsletter. This significant milestone is a tribute to a journey defined by vision, perseverance, and a steadfast commitment to holistic development, celebrating a transformative transition from our foundational roots to a vibrant horizon of higher learning. Over the years, we have witnessed remarkable academic expansion, infrastructural growth, and innovative teaching-learning practices. At the heart of this evolution is our unwavering commitment to quality enhancement, spearheaded by the Internal Quality Assurance Cell (IQAC), and powered by the dedication of our exceptional faculty and staff.

As a student-centric institution, our true success lies in nurturing the intellectual, ethical, and social growth of our learners. Guided by the enduring Jesuit values of *Cura Personalis* (care for the whole person), *Magis*, faith, justice, reflection, and service, St. Xavier's College Jaipur continues to shape socially responsible and ethically grounded individuals. I invite you to journey through these pages, which beautifully chronicle our shared pursuit of excellence.

Best wishes for continued success.

Principal
St. Xavier's College Jaipur

IQAC Coordinator

Dr. Vaishali Singh

IQAC Co-Coordinator

Dr. Atiqa Kelsy

It gives me immense pride to present this special issue of the IQAC Newsletter, commemorating 15 glorious years of St. Xavier's College Jaipur. This milestone is far more than a celebration of time; it is a testament to a shared vision, perseverance, and a transformative Jesuit legacy that continues to shape young minds.

Our recent milestones—including the prestigious NAAC A Accreditation and the QS I-GAUGE Gold Rating stand as powerful validation of our unwavering commitment to academic excellence, innovation, and holistic development. As IQAC Coordinator, I am deeply honoured to witness and contribute to an institutional culture where quality is embraced not as a destination, but as a continuous journey.

"As we celebrate fifteen years of excellence, may St. Xavier's College Jaipur continue to ignite minds, transform lives, and inspire generations to strive for *Magis* and the greater good."

Message from Newsletter Team

Dr. Dharmveer Yadav, Ms. Sonali Dubey (XIMI), Dr. Ritu Mehra, Dr. Mahua M. Bose (Coordinator),
Ms. Aneesha Jain, Dr. Unnati Jain, Dr. Arpita Banerjee, Dr. Salim Khan

The IQAC Newsletter Team is delighted to present this special 15th-anniversary issue, celebrating a journey of a vision turning into stones of excellence. This milestone issue is a labour of love, beautifully capturing the journey of our college from its modest beginnings to its vibrant present stature.

Within these pages, we proudly highlight our collective milestones—including our NAAC A Grade Accreditation and QS I-GAUGE Gold Rating—alongside the innovative teaching, research, and student-centric initiatives that define our daily pursuit of *Magis*.

This issue is the true outcome of a shared synergy, bringing together diverse voices from our faculty, staff, and students. We extend our deepest gratitude to our Principal, IQAC Coordinator, and management for their unwavering guidance, and to you, our readers, whose shared journey inspires every page. Happy reading!

Establishment of the College Under JXEA

The Jaipur Xavier Educational Association (JXEA), established in 1950 as a registered charitable society and managed by the Jesuit Fathers, has been steadfast in carrying forward the rich educational legacy of St. Ignatius of Loyola, the founder of the Society of Jesus. Rooted in the Jesuit vision of holistic formation, JXEA is inspired by the motto *Ad Majorem Dei Gloriam*—"For the Greater Glory of God"—and guided by the spirit of *Magis*, which calls individuals and institutions to strive continually for excellence and greater service to humanity.

With a mission to promote human fulfilment through quality education, character formation, and social responsibility, JXEA has contributed significantly to educational development in Rajasthan. Inspired by the missionary zeal of St. Francis Xavier, the association seeks to nurture competent, compassionate, and ethically grounded individuals who can meaningfully contribute to society. In 2006, JXEA strengthened its commitment to inclusive education by establishing the Xavier Vocational Institute (XVI) in Jaipur, offering skill-based training to economically weaker sections of society. Continuing this mission, in 2010, under the leadership of Rev. Fr. Varkey Perekkatt SJ, in collaboration with Xavier Alumni/ae and well-wishers of Jaipur, St. Xavier's College Jaipur was founded. The college was affiliated to the University of Rajasthan and began its academic journey at the historic Hathroi Fort Road campus in Jaipur city.

From its modest beginnings, the college has grown steadily into a vibrant centre of higher education. The institution was declared a Christian Minority Jesuit Institution in 2014, affirming its identity and mission within the broader Jesuit educational tradition. Over the years, academic programs were introduced across disciplines in Arts, Commerce, Science, and Management responding to the evolving needs of students and society. A major milestone was achieved in 2019 when the college was granted recognition under Sections 2(f) and 12(B) of the UGC Act, 1956. As part of its continuous growth, the college shifted to its new and expansive campus at Nevta, Jaipur, in the session 2021-22. The move marked a transformative phase, providing enhanced infrastructure, modern laboratories, improved research facilities, and a serene environment conducive to learning and personal development.

In 2024, it achieved ISO 14001:2015 certification, demonstrating our commitment not only to academic excellence but also to the environment through its sustainable practices. In the same spirit of quality enhancement, the college was accredited by NAAC with an 'A' Grade in 2025. This accreditation reflects the institution's academic rigour, transparent governance, state-of-the-art infrastructure, along with student support systems, and unique best practices. The recent Gold Rating by QS I-GUAGE reflects and cements our commitment to quality and holistic education.

Currently, St. Xavier's College Jaipur, offers 9 undergraduate, 3 postgraduate, and 2 PhD programs. With 55 dedicated faculty members mentoring 2,237 students, the institution fosters a dynamic and intellectually stimulating environment. Professional programs such as MBA and MCA have been introduced through the Xavier Institute of Management and Informatics (XIMI), broadening the scope of professional education and career opportunities for students. The college has also signed 2 international and 31 national Memorandums of Understanding (MoUs) to promote academic collaboration, research enhancement, consultancy, internships, and placements.

At the heart of SXCJ lie its core values: competence, character, and compassion. The institution is deeply committed to inclusive education and reaches out to first-generation learners, transgender students, divyangjans, marginalised communities, and economically disadvantaged groups. Through its active participation in *Unnat Bharat Abhiyan* (UBA), the college has adopted five villages and regularly conducts outreach and extension programmes that embody its mission of social transformation. Today, St. Xavier's College Jaipur stands as a testament to the vision of the Jesuit Xavier Education Association—a place where academic excellence meets moral integrity and where education becomes a means of personal growth and societal upliftment.

Identity as a Jesuit Higher Education Institution in India

St. Xavier's College Jaipur derives its institutional identity from the rich and time-tested educational tradition of the Society of Jesus (Jesuits), one of the most influential Catholic religious orders in the world, founded in 1540 by St. Ignatius of Loyola. The college is governed by the Jaipur Xavier Educational Association (JXEA), a registered charitable society established in 1950, which carries forward the Jesuit mission of education as a service of faith, justice, and human development.

Jesuit Higher Education Values

Cura Personalis

Cura Personalis refers to personalised care and concern for each individual, recognising that every student is unique in abilities, background, challenges, and aspirations. Jesuit education emphasises the development of the intellectual, emotional, social, ethical, and spiritual dimensions of a learner. Faculty members are encouraged to understand students beyond academics—acknowledging their personal circumstances, mental well-being, and moral growth.

Faith & Justice

Jesuit education integrates faith with the promotion of justice, emphasising ethical responsibility towards society. Education is seen as a tool for social transformation. Students are encouraged to understand social realities such as poverty, inequality, discrimination, and environmental degradation, and to respond with compassion and action.

Magis

Magis means striving for excellence, depth, and continuous improvement, not for competition but for greater service to others. It encourages students and educators to go beyond minimum requirements and seek quality, innovation, and purpose in all endeavours. *Magis* is about doing things with greater commitment, reflection, and responsibility.

Reflection & Discernment

This value emphasises deep reflection before action and thoughtful evaluation after action. Jesuit pedagogy encourages students to reflect on experiences to gain meaning, make informed decisions, and align actions with values. Discernment helps individuals choose paths that contribute to personal growth and societal good.

Service of Others

Education is ultimately directed towards service to humanity, especially the marginalised and the vulnerable. Jesuit institutions aim to produce graduates who are “men and women for others”, committed to social service, civic responsibility, and national development.

The Formative Decade at Hathroi Fort Road

St. Xavier's College Jaipur stands as a vibrant embodiment of the authentic Jesuit spirit of academic excellence dedicated to the transformation of human society. Rooted in a rich legacy of value-based education, the college nurtures a dynamic bond among learners, teachers, parents, industry, and society at large. Rejecting narrow and myopic approaches to pedagogy, it promotes the holistic formation of students through lectures, research initiatives, seminars, conferences, projects, field visits, student exchange programs, and a wide spectrum of co-curricular and extra-curricular engagements.

Transition, Merger & Expansion to the New Campus

The college undertook a strategic transition in 2021-22, relocating from the city to the Nevta–Mahapura Road campus. This shift aligned with the institution's long-term vision of holistic growth, sustainability, and community outreach. The move enabled expansion of academics, research, sports, and residential facilities, while strengthening rural engagement through outreach programs.

Key Outcomes

- Larger green campus (25 acres) with cutting-edge infrastructure
- Improved learning environment (ICT-enabled classrooms, labs, digitalised library)
- Stronger community connections through village adoption and extension work

Structural & Administrative Phases

The relocation involved phased integration of academic departments, administration, student services, and support units into a single unified campus. Governance systems, e-governance (ERP/LMS), examination processes, and student support services were consolidated to ensure continuity and quality.

Phases

- **Phase I:** Academic blocks and basic services were made operational
- **Phase II:** Labs, Library, ICT, and sports facilities were provided
- **Phase III:** Hostels, sustainability infrastructure, and accessibility were upgraded

Expansion of the Institution's academic footprint:

- Growth to 9 UG, 3 PG, and 2 PhD programs (English & Business Administration)
- Establishment of Xavier Institute of Management and Informatics (XIMI), Jaipur in 2022
- Introduction of more add-on/certificate courses, MOOCs, SWAYAM/NPTEL
- Enhanced research culture and innovation ecosystem
- Better industry connections via internships and training cells

Establishment and Growth of Xavier Institute of Management and Informatics, Jaipur

The Xavier Institute of Management and Informatics (XIMI), Jaipur, was established in July 2022-23. Established by JXEA as a professional postgraduate unit of St. Xavier's College Jaipur, XIMI was envisioned as a future-focused ecosystem of relevant education, robust academic vision, and universal values. Its foundation marked the extension of the 450-year-old Jesuit educational legacy into contemporary management and technical education. Guided by the motto *Ad Majorem Dei Gloriam* ("For the Greater Glory of God"), the institute was built on the belief that education must shape leadership, integrity, and meaningful societal impact. In a short span, XIMI has rapidly established its identity by aligning Jesuit values with global industry realities and emerging professional demands.

The institute offers two postgraduate programs, MBA and MCA, approved by the All India Council for Technical Education (AICTE) and affiliated with Rajasthan Technical University. The MBA program focuses on developing strategic, analytical, and managerial competencies aligned with evolving business needs, while the MCA program builds strong technological expertise in emerging computing domains. XIMI operates with a clearly defined institutional mandate rooted in its vision to emerge as a centre of excellence in management and technical education. Its mission focuses on cultivating innovation, leadership, and critical thinking, developing globally competitive yet socially responsible professionals. It aims to offer inclusive and integrated learning opportunities, while building strong academic-industry collaborations at the national and international levels. Both programs are supported by structured academic governance, industry-aligned curriculum design, and transparent administrative processes within the Xavier educational framework, ensuring academic excellence and professional acumen.

Contribution of XIMI to Management & Technical Education

XIMI has strengthened management education by designing its MBA program to provide both functional depth and market-driven specialisation. The MBA offers dual specialisations in Information Technology Management, Business Analytics, Finance, Marketing, Operations & Supply Chain Management, and Human Resource Management. To bridge the gap between university curriculum and industry expectations, these specialisations are enhanced with industry-integrated add-on certifications in high-demand domains such as Digital Marketing, FinTech, Entrepreneurship, International Business, Investment & Trading, and Operations Management. This integrated model creates high-impact professional profiles aligned with global recruiter expectations. Simultaneously, the MCA program contributes to the technological dimension of management education by building expertise in Full Stack Development, Artificial Intelligence and Machine Learning, Data Science, Cloud Computing, Cybersecurity, and Advanced Software Engineering. Together, the MBA and MCA position XIMI at the intersection of business intelligence and technological innovation, producing professionals equipped for leadership in the digital economy.

A Step Ahead of Others: Integration of Academics and Professional Readiness

Through its dedicated Campus Recruitment and Training Program (CRT) comprising coding bootcamps, hackathons, certification workshops, aptitude development, mock interviews, corporate mentoring, job fairs, expert talks on emerging technologies, and live project exposure, XIMI integrates academic learning with professional readiness. This synergy of Jesuit values and advanced professional training continues to strengthen XIMI's reputation as a dynamic, industry-aligned, and value-driven centre of excellence in management and informatics education.

XIMI's strong focus on training and placement excellence has significantly enhanced its institutional reputation. The institute provides 100% placement and internship assistance to eligible students and has recorded competitive placement outcomes, including the highest packages of ₹18 LPA (MBA) and ₹12 LPA (MCA), with consistent average packages of ₹5-6 LPA. Recruiters such as Infosys, Tata Consultancy Services, PwC, Lenovo, Celebal Technologies, and AU Small Finance Bank reflect the institute's expanding industry engagement.

Accreditation and Quality Assurance Initiatives

NAAC Grade and Its Significance

St. Xavier's College Jaipur achieved the prestigious NAAC 'A' Grade in its first cycle of accreditation on 16 January 2025. This milestone stands as a moment of national affirmation—recognising the institution's academic excellence, transparent governance, robust infrastructure, and deeply student-centric practices.

The accreditation journey was not merely procedural, it was transformative. It strengthened institutional systems, refined documentation processes, enhanced accountability, and fostered a culture of continuous quality improvement. The 'A' Grade has further positioned the college to envision academic autonomy, curriculum innovation, and greater interdisciplinary expansion in the years ahead.

IQAC's Role in Quality Enhancement

The Internal Quality Assurance Cell (IQAC) began functioning in the year 2018 with clearly defined Standard Operating Procedures (SOPs) to institutionalise quality benchmarks across academic and administrative domains. From its inception, the IQAC focused on systematic planning, structured documentation, regular monitoring, and evidence-based evaluation mechanisms.

In 2019, a NAAC Steering Committee was formally constituted with a focused vision of preparing the institution for NAAC accreditation. This strategic body guided criterion-wise planning, facilitated policy formulation, ensured inter-departmental coordination, and supervised compliance with quality standards.

Since its formation, IQAC has:

- Coordinated criterion-wise committees for NAAC preparedness
- Conducted academic and administrative audits regularly
- Streamlined data management and documentation systems
- organized capacity-building programs, workshops, & expert sessions to keep the faculty & staff updated
- Conducted mock peer team visits and related benchmarking exercises with reputed institutions to ensure quality

Through sustained in-service training, structured reviews, and continuous feedback mechanisms, IQAC has emerged as the driving force behind institutional excellence-embedding quality assurance as an ongoing culture rather than a one-time exercise.

Best Practices and Quality Initiatives

The journey of St. Xavier's College Jaipur has been one of vision, resilience, and continuous quality enhancement. Over the years, the institution has evolved by institutionalising best practices that strengthen academic excellence, research culture, environmental stewardship, and community engagement.

A key milestone in this journey has been the systematic **digitisation of academic and administrative processes**, ensuring transparency, efficiency, and structured documentation. Innovative pedagogies, ICT-enabled classrooms, experiential learning, internships, and structured mentoring systems have enriched student engagement and holistic development.

Research has been actively promoted through the provision of institutional seed money to faculty and students, encouraging pilot studies, interdisciplinary projects, patent filing, and scholarly publications. Regular Faculty Development Programs (FDPs) further enhance academic competence and pedagogical innovation.

Environmental sustainability stands as a defining feature of the college's journey through its **Green Desert** initiative. Solar power generation, rainwater harvesting, organic farming, and waste management practices have transformed the rural campus into a model of ecological responsibility.

Through **SEED** (Sensitise, Educate, Empower, and Develop) initiatives, the college extends its commitment to rural transformation via NSS, NCC, and *Unnat Bharat Abhiyan* activities in adopted villages. Together, these initiatives reflect a sustained pursuit of excellence rooted in competence, character, and compassion.

QS I-GAUGE Gold Rating

Over the past fifteen years, St. Xavier's College Jaipur has continually strengthened its commitment to academic excellence, innovation, and holistic education. A landmark moment in this journey was the conferment of the prestigious QS I-GAUGE Gold Rating in March 2026, recognising the institution's outstanding performance across key parameters of higher education. This achievement reflects the dedication, vision, and collaborative spirit of the entire Xavier's community – faculty, students, staff, alumni, and stakeholders – who have together upheld the values of quality, integrity, and excellence that define SXCJ.

Student Support Services

<i>Focus Area</i>	<i>Strategic Interventions</i>	<i>Key Indicators</i>	<i>Outcome</i>
<i>Holistic Development</i>	Elected Students' Council, 68 Cells, Committees, Societies	68 Functional Bodies	Leadership, Ethical Values & Participative Governance Strengthened
<i>Financial Support</i>	Need-based, Merit-based Scholarships, e-vehicle Scholarship, & Transport Scholarship	₹5.27 Crores (last 5 years); 73% Beneficiaries	Enhanced Access, Equity & Retention
<i>Skill Development</i>	Soft skills, Communication, Skill Oriented Programs	66 Structured Activities	Improved Employability & Competency Enhancement
<i>Career Guidance</i>	Industry Experts & Alumni Guidance	4,770+ Students Benefited	Career Readiness & Competitive Exam Preparedness
<i>Mentoring & Welfare</i>	Structured Mentoring & Focus on Welfare	Policy-Driven Compliance System	Academic Progression & Emotional Support Ensured
<i>Campus Safety</i>	Zero Tolerance Policy against Ragging & Sexual Harassment	8 Statutory Committees	Safe & Inclusive Campus
<i>Student Progression</i>	Placement & Higher Education Facilitation	Majority are Either Placed or Pursuing Higher Studies	Strong Academic & Professional Outcomes
<i>Alumni Engagement</i>	Alumni-Institutional Collaborations	Active Alumni Network	Institutional Growth & Social Outreach

The Architects of Quality: Charting the Next Decade

When we look back at the journey of St. Xavier's College Jaipur over the last fifteen years, "quality" is not just a benchmark we have met—it is a culture we have lived. Securing NAAC 'A' Grade and QS I-GAUGE Gold Rating are wonderful milestones, but they are stepping stones toward a much larger, more inspiring horizon.

As we look towards the next decade, the Internal Quality Assurance Cell (IQAC) sees a future brimming with transformation, academic boldness, and a deepened commitment to our foundational values of competence, character, and compassion.

Anchoring the Leap to a Private University

Our most immediate and exciting chapter is already unfolding. Over the next two years, we are actively channeling our collective energies, structural design, and academic innovations toward attaining Private University status. This transition will unlock unparalleled freedom—allowing us to design cutting-edge, interdisciplinary curricula, expand postgraduate research, and pioneer new learning frameworks that respond directly to a changing global landscape. The IQAC's vision for this decade is to act as the steady, intentional compass guiding this evolution, ensuring that as our infrastructure and status expand, our core commitment to the individual student—*cura personalis*—remains beautifully intact.

A Vision of Flourishing

Our roadmap for the next ten years focuses on three primary dimensions of institutional growth:

Igniting Research & Digital Frameworks: Blending our traditional strengths in the humanities and sciences with advanced research domains, digital frameworks, and interactive learning environments to cultivate global, forward-thinking citizens.

Deepening Community Roots: Elevating our community engagement and social outreach initiatives so that quality education is never insulated, but always serves as an active force for change and empathy in the world beyond our gates.

Strengthening the Culture of 'Magis': Nurturing a collaborative space where faculty, administrative staff, and students are co-architects of excellence, continually striving for the "greater good" in everyday academic life.

We step into this next decade not just with a strategy, but with profound hope. Together, as we build the framework for our university status and beyond, we look forward to nurturing a campus that continues to ignite young minds and change lives for generations to come.

January

February

March

Monthly
Reports

Five-day Faculty Development Program

St. Xavier's College Jaipur organized a **Five-day Faculty Development Program** titled “**Jesuit Legacy, Life & Values**” from 7-11 January 2026. The program aimed to deepen faculty understanding of Jesuit heritage and the Ignatian vision while promoting reflective, value-based education. Through expert-led sessions, participants explored core Jesuit values such as *Cura Personalis*, *Magis*, justice, humility, and discernment, along with the practical application of the Ignatian Pedagogical Paradigm in academic and administrative roles. The FDP strengthened ethical leadership, encouraged holistic development, and reinforced the institution's mission of forming men and women for others, thereby enriching the academic and moral culture of the college.

Garv Ke Din

(Donation Drive and Awareness Session on Menstrual Health and Hygiene)

On the occasion of **National Girl Child Day**, the **Department of Psychology**, in collaboration with **ISREAC/Unnat Bharat Abhiyan**, organized **Garv Ke Din** at **Upper Primary Government School, Lalya Ka Baas**. The initiative focused on raising awareness about menstrual health and hygiene, dispelling myths, and encouraging healthy practices among adolescent girls in an informative session followed by an interactive discussion and screening of an educational film, which enhanced understanding in an age-appropriate manner. A total of 22 students participated, and 500 sanitary napkins were distributed. The program proved impactful in building confidence, promoting well-being, and reinforcing the institution's commitment to community engagement and girls' empowerment.

Zesty Zing - A Pre-ZEST Event

The **Students' Council** organized a pre-ZEST event titled “**Zesty Zing**” on 21 January 2026 in the Fr. Stan Swamy Auditorium. The program aimed to unveil the theme and dates of ZEST'26 while building enthusiasm among students. Through performances and a theme reveal video, the event successfully created excitement and encouraged active participation in ZEST'26.

Two-Day Research Methodology Workshop

(Organized by Research Project Committee, RDC, In collaboration with Meghnad Desai Academy of Economics, Mumbai)

The **Research and Development Cell** organized a **Two-day Research Methodology Workshop** on 22-23 January 2026 to strengthen students' understanding of research practices, project writing, literature review, and empirical methods. Sessions were conducted by **Dr. Yashwardhan Singh, St. Xavier's College Jaipur** and **Dr. Shreshti Rawat, Faculty, Meghnad Desai Academy of Economics, Mumbai**. Held in hybrid mode, the workshop included proposal presentations by students and provided valuable feedback, helping participants improve their research design, methodology, and academic writing skills.

Republic Day Celebration

The **National Service Scheme (NSS)** in collaboration with the **National Cadet Corps (NCC)**, organized the **Republic Day Celebration** on 26 January 2026 at the Front Portico of St. Xavier's College Jaipur. The program commemorated **77 years of the Constitution of India** and emphasised constitutional values, democratic responsibility, and national integrity. The ceremony began with flag hoisting, followed by the National Anthem and a reflective address on the participation of youth in nation-building. The Xaverian family, participated enthusiastically, strengthening civic consciousness, student leadership and institutional commitment to value-based education and service to the nation.

ICSSR Sponsored International Transdisciplinary Conference

The ICSSR-sponsored International Transdisciplinary Conference on **People, Planet, and Prosperity: Navigating Pathways to a Sustainable Future** was successfully hosted by St. Xavier's College Jaipur on 30-31 January 2026. The inaugural address was delivered by Dr. Arun Chaturvedi, Chairman, State Finance Commission, Rajasthan, and Former Minister of Social Justice & Empowerment, who emphasised the need for a sustainable future and the role of youth in achieving it. The keynote speaker, Prof. Vibha Arora (IIT Delhi), highlighted how collective actions for the planet can lead to long-term prosperity. A highlight was the **workshop by Manfred Max Bergman** from the **University of Basel, Basel, Switzerland** on **transdisciplinary research**. Engaging panel discussions and seven thematic parallel tracks covered Sustainability, Economics, Geopolitics, Literature, Psychology, Business, and Digital Futures. The conference concluded with a valedictory session celebrating impactful research and collaborative academic dialogue.

Seven-Day Special Camp of the National Service Scheme

A **Seven-Day Special Camp** of the **National Service Scheme (NSS)** from 1-7 February 2026, engaging volunteers in community service and awareness activities through experiential learning. The camp began with a trekking and heritage awareness activity at **Gaitore Ki Chhatriyan** in collaboration with Hunter Hikers. Day 2 featured a **Road Safety Awareness Session** by **Mr. Manish Sancheti (CEO, Sahayta Trust)** for NSS volunteers and students of Government School, Nevta. On Day 3 **Dr. O.P. Sharma (Oncologist)** and **Dr. Ruchi Sharma** conducted sessions on early cancer detection and menstrual health in Jaisinghpura village and NSS volunteers distributed sanitary napkins. Day 4 included a **Guinness World Record** initiative, in collaboration with Jaipur World Record Carnival, promoting CPR awareness. Day 5 focused on **Cyber Security Awareness Session** by **Mr. Raghuv eer Singh, Mr. Yogesh Rao, and Dr. Saurabh Jain, with Rajasthan Police** personnel also participating. Day 6 featured a **Nutrition Awareness Session** by **Prof. Kanika Varma**, followed by flameless cooking competition for volunteers. The camp concluded with an educational visit to **Keoladeo National Park** and **Chand Bawari**, promoting appreciation of our environment and heritage.

Guinness World Record Achievement through CPR Awareness

St. Xavier's College Jaipur, in collaboration with the **National Service Scheme (NSS)** and **Jaipur World Record Carnival**, hosted a historic healthcare awareness initiative on 04 February 2026 at St. Xavier's Campus, Nevta. The event aimed to promote life-saving skills and public awareness about **Cardiopulmonary Resuscitation (CPR)**. Under the guidance of **Dr. V. K. Jain (Consultant Physician)** and **Mr. Manmohan Agarwal, Founder of Jaipur World Record Carnival**, participants successfully created two **Guinness World Records: "Most Human Mannequins at One Venue" and "Most People in a CPR Relay."**

Over 4,000 participants from the school and college including college and school students, staff, faculty, NSS volunteers, and parents gathered to perform CPR practice simultaneously, creating a remarkable demonstration of community awareness and preparedness during medical emergencies. The initiative highlighted the importance of CPR training and encouraged the integration of life-saving skills in educational institutions. This landmark achievement showcased the collective commitment of educational institutions and NSS volunteers towards healthcare awareness, community service, and life-saving education.

Interactive Alumni Session-I by the Department of Economics

The **Interactive Alumni Session-I** on **Career Guidance** was organized by **The Economics Society (ECOSOC)**, Department of Economics, on 05 February 2026 in Room No. 334. The session was coordinated by Dr. Yashwardhan Singh and Ms. Akshita Bhatia and attended by UG and PG students of the department. The program featured distinguished alumni **Ms. Sherry Sahni, Development Manager at the Fashion Museum of Texas**, and **Ms. Yukti Rastogi, Head of HR, Finance & Accounts at VR Power Equipments Pvt. Ltd.**

The speakers shared their professional journeys, highlighting the importance of internships, skill development, leadership experiences, and exploring personal interests during college. Through an engaging discussion and interactive Q&A session, students gained valuable insights into diverse career opportunities and professional expectations. The session motivated participants to actively pursue skill-building and career planning beyond academic learning, making the program highly enriching and impactful.

UBA Knowledge Sharing Program

The Department of Computer Science, in collaboration with *Unnat Bharat Abhiyan* (UBA) and the Tech-X Society, successfully organized a **Six-day UBA Knowledge Sharing Program** from 9-14 February 2026. The initiative aimed to promote digital literacy, computer awareness, and responsible use of technology among school students. The program was conducted under the guidance of Dr. Dharmveer Yadav, with enthusiastic participation from student volunteers of the department. The sessions were primarily held at **Maa Sharda Public Senior Secondary School**, and one day it was conducted in the college computer laboratories for enhanced hands-on-experience.

The program concluded with an exit test, feedback session, library orientation, and certificate distribution. Overall, the initiative successfully enhanced students' digital knowledge, encouraged responsible technology use, and strengthened community engagement through collaborative learning.

Awareness Session on MOOCs/SWAYAM/NPTEL

The MOOCs/SWAYAM Committee organized an **Awareness Session on MOOCs/SWAYAM/NPTEL Courses** for the semester Jan-Apr 2026, in hybrid mode, on 10 February 2026 from 12:00 PM to 12:45 PM at Lab 3 with online participation via Google Meet. The session was conducted to encourage UG and PG students to explore online learning opportunities and enhance their academic and professional development through digital platforms. The primary objective of the session was to provide students with step-by-step guidance on enrolling in MOOC courses and registering for proctored examinations. During the session, **Dr. Ranjit Kaur Coordinator, MOOCs & SWAYAM Committee**, introduced students to the registration process, course selection, timelines, and examination procedures for MOOCs offered through the SWAYAM and NPTEL platforms.

“स्वस्थ महिलाएँ, सशक्त समाज” (Healthy Women, Empowered Society)

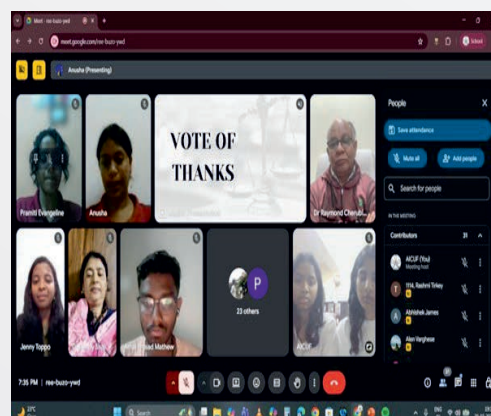

The **Gender Study and Women's Cell (GSWC)** in collaboration with the **Swachhta Action Plan (SAP)** and **Unnat Bharat Abhiyan Cell (UBA)**, organized an awareness session titled “स्वस्थ महिलाएँ, सशक्त समाज” (**Healthy Women, Empowered Society**) for the women support staff of the college. The program aimed to create a safe and respectful platform to discuss issues related women's health and menstrual hygiene, in alignment with SDG 3 (Good Health and Well-Being) and SDG 5 (Gender Equality).

The session included two informative audio-visual presentations that addressed common myths about menstruation and provided scientific information on women's health and hygiene. An interactive discussion allowed participants to share experiences and ask questions related to nutrition, menstrual discomfort, hygiene, and the role of family support. Engaging activities were also organized to create a friendly and inclusive environment. The program concluded with the distribution of small tokens of appreciation and a group photograph. Overall, the session successfully enhanced awareness, confidence, and openness regarding women's health among the participants.

Webinar on World Day of Social Justice “Understanding and Defending Human Rights in the Context of Marginalised Voices”

On **World Day of Social Justice**, a Webinar titled “**Understanding and Defending Human Rights in the Context of Marginalised Voices**” was organized by the **AICUF** on 20 February 2026 from 6:30 pm to 7:30 pm in online mode via Google Meet. The program witnessed the participation of 50 attendees, including AICUF members, students, and interested participants from various units across India. The resource person, **Ms. Jenny Toppo, Assistant Professor at St. Xavier's College, Ranchi & Youth Activist**, delivered an insightful and thought-provoking session. The webinar was a call to action, encouraging the current generation to identify and eliminate social injustices in order to build a more equitable future.

National Integration Camp, Bhubaneswar, Odisha

St. Xavier's College Jaipur participated in the **National Integration Camp (NIC)** organized by NSS, **Utkal University, Bhubaneswar**, from 23 February to 01 March 2026. Eight NSS volunteers represented Rajasthan under the guidance of Dr. Ritu Mehra, Program Officer and Contingent Leader. The camp brought together around 200 volunteers from 12 states, fostering national integration, cultural harmony and mutual understanding. It featured a range of activities including competitions, expert sessions on social media, governance and nation-building, as well as a vibrant cultural exchange program showcasing diverse traditions. Participants also undertook educational visits to Dhauli, Konark Sun Temple and Jagannath Puri, along with a cleanliness drive. Garima Mittal secured First Position in Essay Writing, bringing laurels to the institution.

Educational Trip on 27 February 2026 as a component of the Certificate Course on Journalism in Tourism

On 27 February 2026, the **Department of Political Science** organized an **educational trip to Hathroi Fort** to initiate its **Certificate Course on Journalism in Tourism**. The visit bridged classroom theory with experiential learning through two main activities: an eco-tourism hike focused on sustainable practices, and a curated heritage walk exploring the fort's history, architecture, and conservation challenges. Guided by the department faculty, students critically analyzed real-world tourism management and discussed the vital role journalism plays in promoting and documenting cultural heritage, while gaining hands-on experience in teamwork and responsible tourism.

Three-Day Interdisciplinary National Science Conclave: Experiential Learning, Expert Lectures and Innovation

St. Xavier's College Jaipur actively participated in the **Rajasthan Vigyan Mahotsav – National Science Day 2026**, held from February 26 to 28 at **MNIT Jaipur**. The delegation engaged in the conclave's expert lectures, scientific exhibitions, and hands-on workshops centered around innovation, Women in Science, and the Viksit Bharat 2047 vision. The organizers specially honored St. Xavier's College Jaipur during the valedictory function in recognition of its outstanding participation and academic contribution to science-led national development.

Give to Gain - Empowering Women, Enriching Communities

The **Unnat Bharat Abhiyan Cell** and **Xavier Vocational Institute** of St. Xavier's College Jaipur celebrated **International Women's Day** on 7 March 2026. The program brought together students, faculty members, village women, and distinguished guests to celebrate women's empowerment and cultural heritage on the theme of **"Give to Gain - Empowering Women, Enriching Communities"**. The dignitaries emphasised the importance of women's education, confidence, and the significant role of rural women in community development. Students presented a thematic costume show and traditional folk dances along with village women, showcasing cultural richness and the aspirations of rural women. Collaborators from UBA-adopted villages were felicitated and certificates were distributed to the participants.

Eunoia: Student Seminar Series

"Curated Emotions: Performing Femininity in the Age of Algorithms"

The **Department of English** participated in a student seminar series as part of our MoU with other institutions titled **"Eunoia: Student Seminar Series"** on 9 March 2026 in the Dr. Bhimrao Ambedkar Conference Room. Conducted in hybrid mode, the seminar included over **100 participants** from **Kristu Jayanti Deemed to be University, Bengaluru; Sophia College (Autonomous), Ajmer; Patna Women's College (Autonomous), Patna; Khalsa College (Autonomous), Patiala; and Bhopal School of Social Sciences, Bhopal**. The session featured a presentation by **Ms. Bhaswati Kalita (M.A. English Final)** titled **"Curated Emotions: Performing Femininity in the Age of Algorithms"**, on identity formation in algorithm-driven digital environments. The event was coordinated by Dr. Atiq Kelsy and Dr. Shruti Rawal, with Khyati Kapoor (M.A. English Final) as the student coordinator, and fostered interdisciplinary discussion while enhancing students' research, presentation, and critical thinking skills.

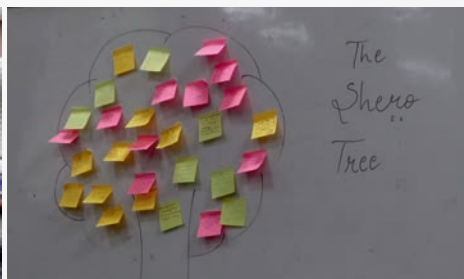

Educational Visit to Pushkar

On 9 March 2026, the **Department of Arts** organized an educational visit to Pushkar to promote experiential learning beyond the classroom. By exploring historic sites like **Pushkar Lake** and the **Brahma Temple**, students gained deeper insights into India's rich cultural heritage. This immersive experience successfully fostered observation-based learning and cultural awareness, seamlessly aligning with the goals of SDG 4 (Quality Education) and SDG 11 (Sustainable Cities and Communities).

"A Room Full of Strength: Celebrating Everyday Women"

The **Gender Study & Women's Cell (GSWC)** organized a Women's Day program titled **"A Room Full of Strength: Celebrating Everyday Women"** on 10 March 2026 in the Dr. Bhimrao Ambedkar Conference Room. The session celebrated the quiet strength, resilience, and everyday contributions of the female faculty and office staff of the institution. The program featured engaging activities such as an affirmation circle, the interactive segment "That's So Me!", reflective exercises like "Affirmations-A Reminder for Myself," and a presentation on "Unsung Sheroes." Aligned with SDG 5 (Gender Equality), SDG 3 (Good Health and Well-being), and SDG 10 (Reduced Inequalities), the session encouraged self-reflection, mutual appreciation, and solidarity among women colleagues, including the formation of The Shero Tree and taking the Unsung Shero Oath and a group photograph. The program concluded with the distribution of gifts, as a token of appreciation by the Management for the Sheroes of the institution.

Session on Vedic Mathematics Ancient Methods, Modern Calculations

Sanskriti - The Indian Knowledge System Cell, under the aegis of **IQAC**, organized a session on **"Vedic Mathematics: Ancient Methods, Modern Calculations"** on 13 March 2026 at the Dr. Bhim Rao Ambedkar Conference Room. The resource person, **Prof. Vinod Kumar Sharma**, delivered an insightful lecture highlighting the foundational principles and practical applications of Vedic Mathematics. The session focused on enhancing students' numerical aptitude, logical reasoning, and analytical skills through traditional computational techniques. Demonstrations of simplified calculation methods enabled students to understand the relevance of indigenous knowledge systems in contemporary academic contexts. It aligned with SDG 4 (Quality Education) and emphasised the preservation and integration of India's intellectual heritage within modern pedagogical practices. Active student participation and interactive discussions marked the success of the session.

Staff Picnic

The **Staff Picnic** was organized by the college management on 14 March 2026 at **Ananth Aravali Resort**. The event aimed to provide a break from the daily routine and strengthen the spirit of togetherness among the staff members. A total of 97 staff members participated, making the outing lively and enjoyable. The day began with a warm welcome and refreshing drinks, followed by hi-tea in the peaceful surroundings of the resort. Staff members enthusiastically participated in various recreational and adventure activities such as zip cycle, zip line, wall climbing, bull ride, trampoline, bungee jumping, rope courses, and water park attractions. These activities encouraged teamwork and added excitement to the day. Music, dance, and fun games created a vibrant atmosphere, allowing staff members to interact and enjoy informal moments together. A delicious lunch and evening hi-tea further enhanced the experience. Overall, the picnic was a memorable and refreshing event that strengthened bonds and promoted unity among the staff.

PERCEPTIONS '26: PPT Presentation Competition

Translating Text to Cinema - A Study of Literary Adaptations

The **Department of English** successfully organized **Perceptions '26**, a PPT Presentation Competition, on 13 March 2026 at 10:00 a.m. in the Dr. Bhimrao Ambedkar Conference Room. The event was open to all UG & PG students in the Department of English, as well as students pursuing English as a minor subject. The theme for this year's competition, **"Translating Text to Cinema: A Study of Literary Adaptations"**, aimed to encourage students to critically explore the process of transforming literary texts into cinematic narratives while promoting the ideals of SDG 4: Quality Education. Participants presented well-researched, engaging PowerPoint presentations and examined various literary works and their film adaptations, highlighting the creative, interpretative, and narrative challenges involved in adapting texts for the screen. The event was coordinated by Dr. Ranjit Kaur, with the support of student coordinators Ms. Ayushi Jain (MA English Final), Ms. Kumkum Shekhawat & and Ms. Prerna Bhalothia (BA English Sem II). The competition provided a valuable platform for students to showcase their critical insights, strong analytical thinking, originality, and effective presentation skills, making the competition intellectually stimulating and fostering academic engagement with literature and cinema.

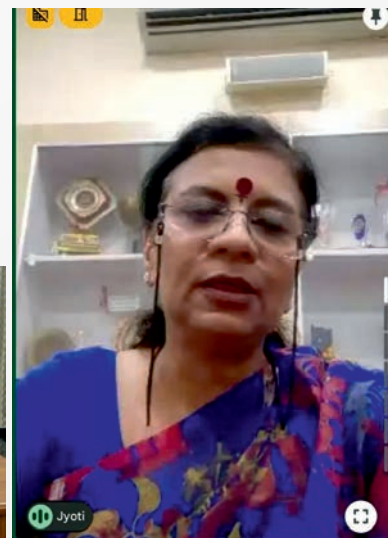

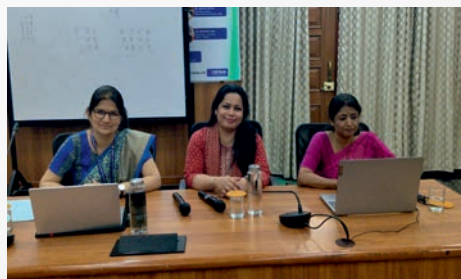

Educational field visit to Umang School Jaipur

On 16 March 2026, **35 students** of the **Department of Psychology** students visited **Umang School** to **gain practical experience in inclusive education and interacted with approximately 280 neurodivergent learners**. The visit highlighted adaptive teaching methods that foster independence through essential life skills like time and money management. Students also explored the campus facilities, including therapy units, daycare services, and a vocational training section with a shop featuring student-handcrafted products. Ultimately, the experience demonstrated how Umang's integrated model of academics, therapy, and vocational training empowers individuals, reinforcing the vital roles of empathy, dignity, and inclusion in the field of psychology.

Orientation Program for the Certificate Course on Journalism in Tourism

On 16 March 2026, **St. Xavier's College Jaipur**, in collaboration with **Sophia College (Autonomous), Ajmer**, launched a **30-hour Certificate Course on Journalism in Tourism** with an interactive orientation session led by **Prof. Jyoti Chandel** and **Mr. Kunal (Founder of Hunter Hikers)**. 40 students from both the institutions, have enrolled to experience a blend of academic insight and experiential learning through expert lectures, documentary screenings, and field tours. Combining online and practical learning, the students have already completed a guided heritage walk across Jaipur's iconic sites—including the City Palace, Hawa Mahal, and Jantar Mantar—to gain hands-on exposure to tourism reporting and vlogging.

Fr. Sebastian Anand Memorial Lecture

"Understanding Film Studies: Key Concepts and Critical Approaches"

The **Department of English** organized the third **Fr. Sebastian Anand Memorial Lecture**, titled **"Understanding Film Studies: Key Concepts and Critical Approaches"**, on 17 March 2026. The session, held in the Dr. Bhimrao Ambedkar Conference Room, was delivered by **Dr. Ved Prakash, Assistant Professor in the Department of English at the Central University of Rajasthan**. The primary objective of the lecture was to introduce students and scholars to the fundamental concepts and theories of film studies. Drawing upon his own research as a reference point, Dr. Prakash utilised various examples to explain key elements such as mise-en-scène, narrative, and cinematography. He further guided the audience through the work of influential film theorists and significant cinematic movements throughout history. The lecture was met with positive acclaim; students particularly appreciated the accessibility of the presentation, despite the subject matter being academically rigorous and theoretically dense.

Awareness session on "Consumer Rights"

"From Marketplace to Digital Space: Consumer Rights Under Cyber Law"

On 19 March 2026, the **Department of Commerce**, Hosted an online awareness session titled **"From Marketplace to Digital Space: Consumer Rights Under Cyber Law"**. Led by **Dr. Amit Yadav from Manipal University Jaipur** and attended by 74 students, the program focused on the evolution of consumer rights, online transaction safety, and legal protections in the digital era. Following introductory remarks from HoD Ms. Akansha Arora and coordinator Dr. Mahua M. Bose, the event concluded with an interactive Q&A session designed to empower students to become responsible digital consumers.

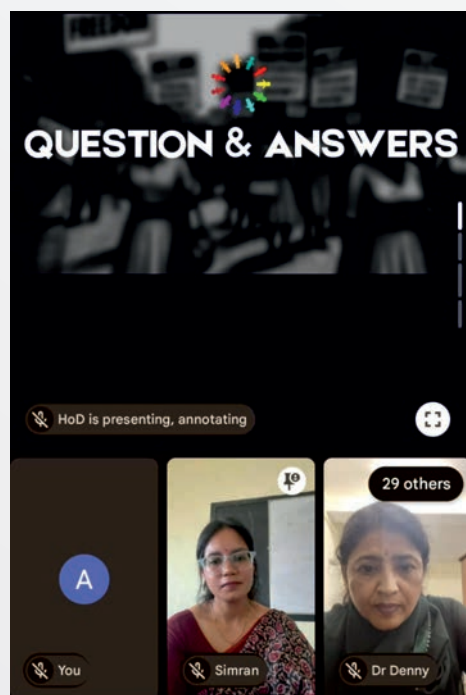

Student Exchange Program

The **Student Exchange Program** between **St. Xavier's College Jaipur** and **St. Aloysius (Deemed to be University), Mangaluru**, organized from 16-18 March 2026, offered a rich blend of academic learning, cultural exposure, and skill development. The program commenced with participation in the **Management Fest "Insignia"**, where students actively engaged in competitions, including HR-based events and the cultural dance competition, securing second position and fostering inter-collegiate interaction. The second day featured engaging academic sessions on entrepreneurial planning through the ALOE Framework and leadership development activities, which enhanced teamwork, problem-solving, and organizational skills. Students also experienced local sightseeing, promoting cultural exchange. The final day focused on an intensive **workshop on Artificial Intelligence**, introducing participants to advanced tools such as NotebookLM, Gamma, and Elicit, and highlighting their applications in academics and professional environments. Overall, the exchange program proved to be an enriching experience, strengthening collaborative learning, innovation, and holistic student development while encouraging adaptability to emerging academic and technological trends.

Fr. Stan Swamy Memorial Lecture-VI Edition

The **Department of Political Science**, in collaboration with the **All India Catholic University Federation (AICUF)**, organized an online program on 24 March 2026 to commemorate the **International Day for the Right to the Truth Concerning Gross Human Rights Violations and for the Dignity of Victims**. The program aimed to promote awareness about human rights, justice, and the dignity of victims of rights violations. The event paid tribute to Fr. Stan Swamy, a Jesuit priest and noted human rights defender, whose lifelong dedication to the rights of marginalised communities, especially *Adivasis* and undertrial prisoners, remains deeply inspiring. His death in judicial custody in 2021 was remembered as a significant moment that continues to provoke reflection on constitutional values, human dignity, and social justice. **Adv. Simran Kotwal, LL.M. in Constitutional Law from State Government Law College, Bundi, Rajasthan**, served as the resource person and shared valuable insights on legal rights and accountability. Students and faculty members actively participated, making the program meaningful and thought-provoking.

ZEST 2026 - A Kaleidoscope of Memories

ZEST 2026 – Aurean Arcadia: A Kaleidoscope of Memories, the annual cultural fest of St. Xavier's College Jaipur, was held from 27 to 29 March 2026, bringing together creativity, talent, and vibrant student participation on an intercollegiate platform. With an impressive participation of around **3000 registrations**, the fest emerged as a dynamic celebration of culture, competition, and collaboration. The fest commenced with an inaugural ceremony in Fr. Stan Swamy Auditorium, graced by **Dr. Om Prakash Bairwa** as **Chief Guest**, along with distinguished guests **Mr. Himmat Singh** and **Mrs. Suman Byadwal**. Over the three days, the campus witnessed a diverse range of events spanning cultural, literary, management, and sports domains. Competitions such as Carnivalia, Pitch It Perfect, Social Showdown, Respawn!, *Aaroh- Avroh*, and *Sargam* showcased creativity and talent, while sporting events including Box Cricket, Basketball, Chess, Badminton, and Box Football reflected high energy and competitive spirit. Artistic and performance-based events like *Raw & Unfiltered*, *Swar Sartaaj*, *Manch Manthan*, *Entwine*, and *Kavya Kalam* added depth and cultural richness, while engaging formats such as Match & Mismatch, Falseflag, and Quizzical ensured active student involvement. The fest also featured intellectual and thematic events such as Nova Assembly, Utopicon, and Seek for Yourself, creating a well-rounded experiential platform. Each evening concluded with vibrant performances, including Symphiesta, Chromavault, and high-energy Live Beats. The highlight of the fest was the much-anticipated Artist Nights featuring Chaardeewari and Taaruk Raina, which drew enthusiastic crowds and created an electrifying atmosphere. The fest concluded with a valedictory ceremony, marking the successful culmination of three days filled with creativity, enthusiasm, and memorable experiences. ZEST 2026 stood as a testament to the institution's commitment to fostering talent, cultural expression, and holistic student development.
