AIM AND SCOPE

अनुसन्धक (Anusandhak), ISSN: 3048 – 8567 (Online), is a peer reviewed online and open access journal that aims to encourage quality research in a variety of disciplines by publishing it and making research accessible to the society at large. Papers submitted can be from a range of disciplines from science to management, social sciences to humanities, IT to language and literature with the sole objective of advancing learning and encouraging a better and wider understanding of the world around and within so that concrete results can be sifted for making this world a better place.

Multidisciplinary research can be more insightful as it encourages dialogue amidst different fields by integrating research and knowledge from various fields of learning and promoting a more holistic approach towards life and learning. The aim is to promote studies that go beyond traditional disciplinary boundaries. Articles should demonstrate the potential for multidisciplinary research. This involves integrating methodologies, theories, and perspectives from different fields. Thus, it can be instrumental in decision making at the level of policy making and governance, initiating change, spreading awareness.

GUIDELINES FOR THE AUTHOR(S)
