Workshop on "Applied Data Analytics for Economics & Business"

The Department of Economics is pleased to announce a ten-day workshop on **Applied Data Analytics for Economics & Business: A Hands-on Workshop with Excel, Stata & R**. The workshop is open to students of all departments, both UG and PG.

The main objective of this workshop is to equip students with hands-on skills to manage, analyse and interpret real-world economic and business data using modern software tools. The workshop will focus on the fundamentals of data and Indian large-scale survey data, through data management in Excel, Stata and R, as well as descriptive analysis, visualization, statistical inference and regression.

Dates of the workshop	26 October – 5 November, 2026
Duration	11:30 am – 1:30 pm
Venue	Computer Lab 1
Open to	Students of all departments (UG and PG)
Registration form	https://forms.gle/rwZCUJnAPjdCHN299
Last date for registration	23 October 2026

All interested students are encouraged to register through the Google Form link. Students will receive a certificate on the basis of attendance and the exit test.
